Health Plan

Contract College

Health insurance for you and any covered dependents will continue for 28 days following the last day of the biweekly pay period in which you were actively working. You will receive a bill from the New York State Department of Civil Service approximately two months after your layoff for continuation on Preferred List Status (layoff status). While on layoff status you are able to continue your health insurance benefits by paying the employee only portion for up to 12 months.

At the end of the layoff period, you can continue health insurance for up to 36 months under COBRA.

You have 60 days from the date you lose coverage or 60 days from the date you are notified from the New York State Department of Civil Service, whichever is later, to request continuation under COBRA. The New York State Department of Civil Service will send you information outlining the costs for continuation of your health and/or dental coverage under COBRA. You can choose to continue your health and dental insurance separately or together.

Endowed

Health insurance coverage ends on the last day of the pay period in which your employment ends. You have the right to continue health insurance coverage for yourself and eligible dependents for up to 18 months under federal law, the Consolidate Omnibus Budget Reconciliation Act (COBRA) of 1985. PayFlex is the COBRA Administrator for the endowed health plans. PayFlex will send COBRA enrollment materials. You will have 60 days from the date of PayFlex’s COBRA notice to enroll in COBRA to continue health insurance coverage.

Individuals on Layoff are permitted to continue health insurance and pay premiums at the employee rate for 12 months and at the full COBRA rate for the remaining 6 months for a total of 18 months of COBRA. COBRA may still be less expensive for the first 12 months than a Marketplace Plan. If you enroll in COBRA, you will not be able to enroll in Marketplace coverage until you exhaust your 18 months of COBRA coverage or until the next Marketplace open enrollment period. Please be advised, if you voluntarily drop your COBRA coverage or fail to pay your COBRA premium, you will have to wait until the Marketplace Open Enrollment held in the fall to enroll in a Marketplace plan.

The Health Insurance Marketplace under the Affordable Care Act is an alternative to enrolling COBRA. You can enroll in a health insurance through the Health Insurance Marketplace within 60 days of your layoff.

IMPORTANT: COBRA coverage is retroactive to the date your coverage ends so if you enroll anytime within 60 days, you will not have a gap in coverage. However, Marketplace coverage, by contrast, applies going forward so if you do not enroll as of the date of your loss of coverage, you may suffer a gap in coverage for any claims incurred without Marketplace coverage.

You can call PayFlex’s Administration at (888) 678-7825 if you have questions about enrolling in COBRA continuation or visit PayFlex’s website at: [https://cornell.payflexdirect.com](https://cornell.payflexdirect.com)
