Service Recognition Program

Service Awards 2020:

We are not yet able to announce a date for the annual Service Award Recognition Dinner, as that will very much be determined by the progression of the current public health crisis and the reopening process of our campus. When standards from the university, government and health officials have been created to indicate that planning for major events can take place a new date will be announced. Once a decision is made, it will be communicated to awardees and updated on our website. Thank you and congratulations to all employees who have reached their service milestone!

5, 10, and 15 years

As part of the service recognition program, staff members with 5, 10, and 15 years of credited service at Cornell are honored by their departments with certificates of recognition.

20 years

Staff celebrating 20 years of credited service are honored with certificates of recognition and also receive anniversary points through the online Cornell Appreciation Portal. Rewards points may be used to purchase gift cards to be used at The Cornell Store and/or selecting from among hundreds of items supported by Amazon.com through the portal. Service Award points will not be available until you receive an email notice from the appreciation portal on your anniversary date.

25, 30, 35, and 40 years

Staff celebrating 25, 30, 35, and 40 years of credited service are honored with certificates of recognition and also receive anniversary points through the Cornell Appreciation Portal. Annually, the Office of the President hosts the annual Service Recognition Dinner, honoring those staff members who have been employed by Cornell for 25, 30, 35, and 40 or more years. Visit the 25+ Club page for program details.

Over 40 years

Staff who have reached over 40 years of credited service are invited to the Service Recognition Dinner every year. Staff celebrating 45, 50, and 55 years of credited service also receive a certificate of recognition and anniversary points through the Cornell Appreciation Portal. Visit the 25+ Club page for program details.

Eligibility

Non-academic staff are eligible for the Service Recognition Program based on Credited Service. Credited Service refers to
the length of employment at the university. Please read the terms and conditions of Credited Service.
