Personal Information

Name Change Process at Cornell
How To Change Your Name

Your NetID can be changed only after you have submitted your name change request to Human Resources and they have processed your request. More information.

An employee must go to their local HR person to change their gender marker. No documentation is necessary.

Cornell students, faculty, and staff may edit other settings in the Cornell directory in Who I Am and/or Workday.

Gender Identity and Sexual Orientation Fields in Workday

Click here for instructions. For questions related to LGBT issues, contact the Department of Inclusion and Workforce Diversity at owdi@cornell.edu or the LGBT Resource Center at lgbtrc@cornell.edu. Questions related about how to make updates in Workday can be directed to the help desk at hrpayrollsupport@cornell.edu.

The LGBT Resource Center and the Department of Inclusion and Workforce Diversity encourage employees to update your Workday profile with the optional Sexual Orientation and Gender Identity field. This information is confidential (visible only to certain college or unit human resources representatives), and is used to help HR better understand and create resources for our workforce. The employee has sole access to add or update this field. Please note that this field is separate from Legal Gender, which is also located in the Personal Information area; contact your HR representative to update the Legal Gender field.

General Information About Legal Name & Gender Marker Change Process

The LGBT Resource Center at Cornell provides resources on the legal name change process in Tompkins county, as well as the process for changing other identity documents with name and gender marker (driver's license, passport, birth certificate, etc). Resources for students changing their name or identity documents in other states are also available. See the Know-How Booklet and Forms for information on changing your name and gender marker on important identity documents.

Networking

- LGBT Colleague Network Groups: university-sponsored employee resource groups for diverse populations, including racial/ethnic minorities, differently abled, young professionals, LGBT, and veterans, and allies of those groups. The groups provide programs that enhance the university culture by fully engaging all our faculty and staff. Each group advocates for a specific demographic within the Cornell faculty and staff community—to aid in recruitment and retention efforts, as well as improve the climate for the community as a whole.
- **Lesbian, Gay, Bisexual, Transgender Resource Center**: The Lesbian, Gay, Bisexual, Transgender (LGBT) Resource Center coordinates the efforts of the entire Cornell community to ensure the inclusion of all lesbian, gay, bisexual, transgender, queer, questioning, intersex, and asexual (LGBTQQIA) individuals and works to eliminate discrimination based upon sexual orientation, gender identity or expression. The LGBT Resource Center affirms LGBTQQIA+ identities and lives, and provides education, outreach, advocacy, and support. The LGBT Resource Center is also the home of over 20 undergraduate and graduate student organizations and serves as a community center and gathering space for LGBTQQIA+ students, staff, and faculty. Allies are always welcome!

- **LGBT Families Email List**: An interactive e-list which distributes information and resources among Cornell LGBT families. For instructions on joining or subscribing to an e-list, visit the Cornell Information Technologies website. See other Cornell email lists.

**Local & Regional Resources**

**Ithaca Lesbian Gay Bisexual Transgender Task Force**
The Task Force was incorporated to encourage an awareness of issues affecting LGBT people. The Task Force continues to work toward the elimination of prejudice and discrimination, and toward improving relationships and understanding among and between lesbian, gay bisexual, transgender, and heterosexual people.

**The Advocacy Center**
Provides supportive services to youth and adults in Tompkins County New York who have experienced intimate partner violence or sexual violence. Services include: 24 hour hotline, emotional support, help with police or courts, Sexual Assault Nurse Examiner Program, and emergency shelter.

**Southern Tier AIDS Program**
Services focus on the health and well-being of HIV+ persons and incorporate a harm reduction perspective and recognize that behavior change is a gradual process.

**Out for Health**
Provides healthcare information, education and outreach in an LGBT friendly setting. Out for Health is part of Planned Parenthood of the Southern Finger Lakes - LGBT Health and Wellness Project. Provides local trans* resources as well.

**Gay Alliance**
The Gay Alliance of the Genesee Valley is a Champion for LGBTQ Life and Culture. We envision a future where all members of the greater Rochester LGBTQ communities, at all stages of their lives, are free to be fully participating citizens, celebrating their lives in which they are safe, stable and fully respected.

**Trans* Coalition of the Finger Lakes**
Composed of the Ladies of the Lakes and the Lords of the Lakes

**Tompkins County LGBT Youth Group**
