

Tools and Training

Resources to help grow your career.

At Cornell, we want your career to be more than a way to survive – we want your career to be where you thrive. Take advantage of these tools to help you set and achieve your career goals!

Career Toolkit

We've created a helpful step-by-step [toolkit](#) to assist in planning and managing your career development. Each step provides ideas and resources that can help you take charge of your career and maximize your potential.

Career Navigator

The [Career Navigator Tool](#) maps where you are in the Cornell job family matrix, and shows the framework toward advancement and exploration of new career areas.

Career Development Opportunities

Get hands-on experience with the [Experiential Development Opportunity](#) (EDO) Program, or find a [mentor](#) who can help you understand what it takes to move toward your career goals.

Career Management Resources

Check this helpful collection of links to [tools and organizations](#) that can support your career ambitions!

CU Learn: Compliance and skills training for the Cornell community

[CU Learn](#) is a tool for the Cornell workforce and students which provides access to both online and classroom-based non-credit training programs. Courses include training for laboratory and safety compliance, accounting and procurement systems, "Building a Culture of Respect at Cornell," technical training from CIT, career and professional skills from human resources, and more.
