Setting Up

Resources to help you get set up in your new role

Here are resources that may be useful as you get set up in your new role at Cornell.

**[tabs]**

**Information Technology**

- **Phones**: how to set up Audix voicemail, put a call on hold, transfer a call, and other tasks
- **Email**: how to set up and use your email account
- **Zoom**: web and video conferencing service
- **Wi-Fi**: how to get connected to wireless networks on campus
- **Two-Step Login**: set up and manage secure authentication (necessary to access Workday)
- **LastPass**: secure password management service
- **Skype for Business**: instant messaging
- **Box**: Share files and collaborate on documents
- **NetID**: info about using and managing your NetID and password
- **Support**: Contacts and helpful articles.

Visit [IT.cornell.edu](http://IT.cornell.edu) for support and information.

The [Staff IT Resources page](http://Staff IT Resources page) is a good place to get started!

**Payroll**
Contact the Division of Financial Affairs for questions about your:

- paycheck,
- direct deposit,
- W2
- payroll deductions,
- tax withholding
- Foreign national questionnaire

**Important information for hourly employees**

**Workday**

![Workday logo](https://hr.cornell.edu/workday)

www.hr.cornell.edu/workday

Employee self-service for:

- New employee dashboard and onboarding tasks
- Entering time worked for hourly employees
- Requesting time off
- Direct deposit for payroll
- W2 and tax withholdings
- Contact information
- Enrolling in and managing benefits: healthcare plan, flexible savings account, and retirement savings (see "New Hire," endowed or contract college, depending on your position)

**TIP: LEARN NAMES & FACES**

by using Workday to see your organizational charts! This feature is helpful when learning your organization, finding out who to contact or collaborate with. The "Org Charts" contain reporting structure, job titles, pictures, and hierarchy.

Here's how:

1.) Log into workday on the website [https://hr.cornell.edu/workday](https://hr.cornell.edu/workday)
2.) Type “my org chart” in the search bar in the top left to navigate to your org chart
3.) Click on “My Org Chart” from the search results

**TIP: CHANGE OR UPDATE HOME AND WORK CONTACT INFORMATION**

Check your personal information in Workday to verify or update your preferred name, work location & phone, emergency
contacts, and other details.
