GET INVOLVED!

One of the best ways to meet colleagues outside your work group is by volunteering at a campus event. There are many events throughout the year, including:

- [Commencement](#)
- [Slope Day](#)
- [Employee Celebrations](#)
- [Cornell Elves](#)
- [Cornell United Way](#)

Announcements seeking volunteers are often made in the [Cornell Chronicle](#). You can also sign up for the [Employee Events & Trips e-list](#) (send email with "Subscribe" in the subject line).

- [Check out the Get Connected page](#) for details about volunteering and other ways to socialize at Cornell.

Colleague Network Groups

SUPPORTING A WORKPLACE OF AWARENESS AND

BELONGING

Cornell's CNGs enhance our community culture by providing engaging programs for faculty and staff of traditionally underrepresented minorities and their allies to find support, both at the University and beyond. There are CNGs for Men of Color; Women of Color, LGBTQ, Veterans, Disabilities, and Young Professionals. [Visit the Colleague Network Group page](#) for more information.
