Appreciation Portal

Show your appreciation in the moment!

Celebrating staff excellence throughout the year is vital to creating an engaged workforce. It is easy to get focused on the tasks at hand – the emails, the meetings, the projects and to-do lists – and forget to say, “Thank you!” or “Well done!” And yet, it is often those simple, timely gestures that have a profound impact on our attitude, productivity, and feelings of belonging.

Supervisors and colleagues can use this portal to send kudos in real-time. Also, supervisors can recognize their staff periodically with small tokens of appreciation in the form of points that can be redeemed through the Cornell store or Amazon.
