Faculty, staff, students and retirees who have been diagnosed with or have had cancer are welcome. It's an opportunity to meet one another, create a community of support, and learn about resources available on campus and in Ithaca.

**Meetings: Second Wednesday of each month**

11:30 am - 1:00 pm, Cornell Dairy Bar

The group is facilitated by Bob Riter, Patient Advocate for the Cornell Physical Sciences Oncology Center.

Please note this group is *not* for caregivers of those with cancer. The Cancer Resource Center offers a [caregiver group](#) on the second Tuesday of each month from 5:30 to 7:00 pm at its office (612 West State St.). Cornell Work/Life also offers a [Caregiver Support & Education Network](#) that meets monthly on campus. Additional cancer support groups are available at the Cancer Resource Center and are listed [here](#).
