

Voluntary Retirement Incentive Recipients

Thank you to the Cornell employees participating in the Voluntary Retirement Incentive program. We are grateful for your years of service and continuing support of the university.

[A virtual Kudoboard](#) has been created for the Cornell community to share videos, photos, and written messages of recognition and thanks to our Voluntary Retirement Incentive recipients. Some employees have requested to remain anonymous, and we kindly ask that you keep messages general and respect the privacy of those who have chosen to remain anonymous.
