

Daily Check

In compliance with the [NY HERO Act](#), employees are required to complete the [Daily Check](#) health assessment each day before arriving on campus or accessing facilities, regardless of vaccination status. Students are not required to complete the Daily Check at this time.

It is important to recognize and appreciate that you to play a key role in fostering a healthy workplace and community so if you are ill, do not come to campus. Please consult with your primary care physician. Students may also seek care with Cornell Health.
