

Human Resources

Finance & Retirement

Take advantage of a wealth of benefits to support your family's financial security.

Planning for a comfortable future starts today. Take a few moments to get acquainted with the savings options available to Cornell employees, such as flexible spending accounts, retirement savings and tax deferred annuities, as well as the convenient webcasts and financial tools presented here. It's never too early to start preparing for tomorrow.

Flexible Spending Accounts

Set aside money in accounts for medical and/or dependent care expenses (such as childcare or elder care), and save on federal and social security taxes.

Retirement and Savings

Cornell offers a selection of plans to fit your financial goals. Learn about our 403(b) retirement savings plans, pre-retirement planning and phased retirement programs.

Financial Tools

Resources specially tailored for women and early career employees, as well as personal credit counseling, and financial assistance to support child care, adoption, and financial emergencies.
