Retirement and Savings

Cornell University provides two types of retirement savings plans, depending on the job you hold: Endowed and Contract College (New York State).

Endowed

- Cornell University Retirement Plan (CURP)
- Cornell University Tax-Deferred Annuity Plan (TDA)

- **Investment Vendors:** TIAA and Fidelity

[accordion]

New York State requires that all regular full-time employees and employees working full-time for at least 12 months, enroll in a New York State retirement plan. You can only waive enrollment if you are a part-time or temporary employee.

If you are an hourly Cornell Contract College employee, you are only eligible for NYSERS. If you are a salaried Cornell Contract College employee, you have the option of choosing between the NYSERS and ORP. If you have chosen ORP you may not switch to another plan even if you job status changes unless you moved to an endowed position. If you are an hourly employee enrolled into NYSERS and your job status changes to salaried, you have the option of electing ORP or remaining in NYSERS.

If you are a County Cooperative Extension Association employee you are only eligible for NYSERS, unless you are salaried and have a SUNY ORP contract from prior employment.

Both hourly and salaried employees have the option of also enrolling in a Cornell TDA plan to supplement their retirement savings. Review the table above.
