What is the CARE Fund?
The Cornell Emergency CARE Fund helps employees experiencing a major crisis with financial support, including families in the wake of fire or flood damage, victims of domestic violence, and other emergencies. Easy online donation form and complete details at hr.cornell.edu/carefund.

Donate before March 6, 2018 to enter a drawing for exciting prizes!

You can donate as little as \$1 per paycheck, or a one-time donation of \$24 to be eligible for the prize drawing. If you can donate \$2, \$5, \$10 or more per paycheck, you'll be helping even more!

Donate and Enter Now!

Helping your fellow Cornell colleagues in crisis has never been easier. Set up an easy [auto-debit](#) from your paycheck! Just one dollar per paycheck -- not even the cost of a cup of coffee every month -- will help your fellow colleagues when they need it most. And know that 100% of your donation goes directly to help Cornell employees -- there are no overhead costs, as this program is completely run by Cornell employees on a volunteer basis.

When crisis strikes, a little support can make a huge difference. Sometimes insurance doesn't cover all the bills. Or there aren't family or friends nearby to lend a hand. Some of the crises that the CARE fund has helped to ease for Cornell employees include:

- Transportation via Campus-to-Campus bus to NYC for medical treatment
- Temporary shelter and supplies for victims of domestic violence
- Support for families in the wake of fire or flood damage

"It was like a flashlight in the dark, that there was this opportunity to apply for help. My family has felt very fortunate to have received assistance for our expenses... this is a wonderful program to keep going to assist others in our Cornell family financially when they feel there is no other help available."

-- M. H., who received CARE support to help pay for flood damage to their home.

What is the CARE Fund?

The Emergency CARE Fund is a program offering financial assistance to faculty and staff who have experienced a non-recurring sudden or emergency-related financial hardship due to an unforeseen or unavoidable event.

The Emergency CARE Fund is funded through the generous donations of faculty, staff and others who are interested in supporting employees who are in financial need due to an unplanned circumstance. Applicants who are approved for funding may receive between \$200 and \$1,500 depending on the circumstances.

Without these donations, the CARE Fund is not able to offer these awards. 100% of donations go directly to employees. Any amount not awarded in a given year will be carried forward to the next fiscal year.

How to Give

Faculty, staff, and community members can donate at any time.

One hundred percent of the donations go into an account used exclusively for providing CARE Fund grants. The maximum grant is \$1500 awarded to an employee as a payroll payment.

- **Payroll Deduction Electronic Form** - Elect to donate \$1, \$2, \$5, or more from your paycheck each pay period. You may also make a one-time donation via payroll deduction.
- **One Time Donations** - Make checks payable to Cornell University. In the notes section, write CARE Fund. Mail your check to Beth McKinney, 302 Helen Newman Hall, Ithaca, NY 14853

Travel Assistance to New York City

If you need to travel to New York City for medical care or other emergencies, please complete this [Travel Assistance Form](#). Cornell University Transportation Services will provide round-trip bus tickets on the Campus-to-Campus Bus to current employees, free of charge. After completing this request form, you will be contacted by one of the ticket coordinators.

*Note: Tickets will be provided for the patient and one caregiver. Please contact Beth McKinney (bm20@cornell.edu) or Diane Bradac (sdb39@cornell.edu) for other circumstances.
