VERY IMPORTANT NOTES ABOUT REGISTRATION

1. Please be sure to talk with your child about what he or she wants to do BEFORE registration opens on March 30th. Have 1st, 2nd, and 3rd, choices ready for each of the different time slots. Some of our learning opportunities are very popular and close within minutes of the 9 am opening time. (The printed registration page is helpful for collecting this information.)
1. Very often parents are waiting online for the registration page to go live at 9 am. Please note that you may have to refresh the page before being able to see and interact with the registration system when it opens.

1. **If you are registering more than one child** with only one adult we may be able to assist you. If you have not already submitted the multiple child registration form please send a brief email to bring_a_child@cornell.edu with your name, children’s names and ages, plus several options of sessions they may like to attend. With that information we can go online when the registration system opens to assist you in getting sessions for multiple children at one time. Please note: 1st, 2nd and 3rd choices must be listed to assure that your children get into a session.
