

Human Resources

E-lists

Stay up to date with info you want.

These e-lists can either be interactive or informational. The interactive e-lists allow subscribers to post messages to the lists; the informational e-lists only allow postings from list administrators.

For detailed instructions on joining or subscribing to an e-list, visit the [Cornell Information Technologies website](#).

Adult Caregiving

- [elder-L](#): An interactive e-list for Cornell University caregivers and elders.
- [Elder/Adult Care Newsletter](#): A monthly newsletter to learn about on- and off-campus activities, events, services, and articles of interest to Cornell faculty, staff, students, and retirees regarding elder/adult care and caregiving.

Wellbeing

- [wellness-L](#): An informational e-list which provides a weekly update on upcoming Wellness Program offerings.

News and University Updates

- [sustainablecampus-L](#): A newsblast on Cornell Sustainable Campus
- [specialconditions-L](#): An electronic mailing list that distributes notification of university operating status and closings, road closures, construction delays, or other unusual events on campus.
- [pawprintflash-L](#): An informational e-list that distributes news flashes about staff centered events and activities.
- [ohr_bulletin_board-L](#): Career/Life Digest -- an informational e-newsletter featuring news and events from the Division of Human Resources.

Community

- [Cornell Cooperative Extension of Tompkins County](#): "Community Toolbox" courses and announcements

Support Groups

- [wlsgroup-L](#): An informational e-list on the topic of weight loss surgery.
- [diabetes-L](#) is an informational e-list on the topic of diabetes.
- [cancersupport-L](#): An informational e-list that provides information and support related to cancer.
- [fibromyalgia-L](#): An informational e-list on the topic of fibromyalgia.

Parents and Prospective Parents

- [Cornell Parent E-News](#): Sign up to receive a newsletter about Cornell-sponsored events, workshops, and activities that are parenting-related or family-friendly to attend.
- [adoption-L](#): An interactive e-list for current and prospective adoptive parents.
- [parents-L](#): An interactive e-list for Cornell University parents to ask questions and share information.
- [lactation-L](#): An interactive e-list for nursing mothers at Cornell University.
- [lgbtfamilies-L](#): An interactive e-list which distributes information and resources for Cornell University parents.
- [students-with-kids-L](#): An e-list which distributes information and resources for Cornell University student parents.
- [specialneeds-L](#): An interactive e-list for Cornell University families with children that have special needs.
- [school-closing-L](#): An informational e-list which alerts parents of local school closings. Once you subscribe, you will get an e-mail message with the name of the closed school in the subject line. If your children are not in that school, please disregard the message. Please do not call the schools.
