Elder & Adult Care Workshops

Caregiver Support & Education Network Meetings

Are you providing care for an adult family member, spouse, or friend, either locally or long distance? Perhaps the one you care for is living in a facility, independently in their own home, or in your home. If so, you are invited to attend meetings of the Caregiver Support & Education Network. Participants are welcome to attend when their schedule allows. Caregivers come together to share the challenges, joys and resources of caregiving as well as listen to occasional speakers presenting on topics of interest specifically to caregivers. Facilitators will share strategies, tools, and resources for coping with stress, caregiver guilt, and burnout as well as information on local/national resources that may assist you. Attendees are welcome to bring their lunch.

Aging in Place: Love Living at Home

February 21, 2019
12:00 - 1:00 pm
Weill Hall - room TBD

Register Here: Love Living at Home

Love Living at Home (LLH) is a new nonprofit in Tompkins County to support older people who want to remain at home as long as possible. LLH follows a national model that seeks to improve access to services, increase socialization and civic engagement, and strengthen a sense of community among its participants. These virtual retirement Villages are a consumer driven strategy to support successful aging at home. Home is not a place on a map - it is a gateway to relationships and resources for older adults who desire to live in the homes and neighborhoods they love.
