

Pets

Pets are part of the family for many Cornellians, and there are numerous trails, parks and other places that will welcome your four-legged friends. It's also nice to have a cutting-edge veterinary school located right on campus!

Veterinary Services

[Cornell University Hospital for Animals](#) offers faculty, staff, and students a discount on veterinary medical care conveniently provided on campus (present Cornell ID card and complete registration for the discount at appointment). Ambulatory visits, pharmacy, diagnostic laboratory, and clinical pathology charges are not eligible for the discount. Contact: 607.253.3060 or vet-hosp@cornell.edu

Pet Sitters
