Career Skills

Register for courses at CULearn

Leadership Academy

Courses and workshops designed to develop leadership and supervisory skills, including the Turning Point Program, Harold D. Craft Leadership Program, Building Teams and Leading Change, and others. Some prerequisites may apply.

Professional Development Programs

Workshops and certificate programs to support professional skills such as giving and receiving feedback, identifying strengths, and Franklin Covey courses, including “The 7 Habits of Highly Effective People.”

Supervisor Orientation and Development Programs

Cornell-specific training for new and established supervisors, with a focus on HR policies and procedures, compliance requirements, and management skills.

Unit/Division Specific Programs

Workshops designed to aid staff in meeting their unit/division specific goals. Contact Organizational Development & Talent Management at Org.Dev@cornell.edu to schedule a session or retreat.
