If you are dealing with issues concerning pregnancy, childcare, breastfeeding, adoption, LGBT parenting, or parenting children with special needs, there are many supportive resources available to you and your family at Cornell. Many family-friendly activities are offered on campus and financial help programs are also available. Students with children should also visit the Cornell Students with Children website for additional resources.

Pregnancy / Infant Care

- **Cornell Reproductive Health Program**: Environment, Health and Safety (EHS) works to ensure that task duties do not result in unsafe exposures to reproductive hazards. EHS professionals can review your work areas to evaluate potential chemical, biological, and physical exposures and provide recommendations to ensure potential exposures do not pose a reproductive risk. Female and male employees and students who are contemplating having children, pregnant, or nursing may schedule a reproductive health evaluation of their work and research areas. Contact Brandi Kissel (email bek66@cornell.edu)

- **Top 10 Tips for Having a Baby at Cornell**

- **Breastfeeding Support**: Information on benefits, locations of Mothers' Rooms, guidelines for employees and supervisors, and other support resources.

- **Preparing for Baby Series**: Workshops offered to Cornellians and their partners on topics related to prenatal and postpartum care as well as breastfeeding and making connections with other Cornell parents.

- **My 9 Months**: Informative website developed by March of Dimes featuring resources for pregnancy preparation, exercise.
