Preface

Aetna Life Insurance Company (referred to as **Aetna**) is pleased to provide you with this *Booklet*. Read this *Booklet* carefully. The plan described in this *Booklet* is a benefit plan of the Employer. These benefits are not insured with **Aetna** or any of its affiliates, but will be paid from the Employer's funds. **Aetna** and its HMO affiliates will provide certain administrative services under the plan as outlined in the Administrative Services Agreement between **Aetna** and the Customer.

This *Booklet* is part of the *Contract* between Aetna and the Customer. The *Contract* determines the terms and conditions of coverage. **Aetna** agrees with the Customer to provide coverage in accordance with the conditions, rights, and privileges as set forth in this *Booklet*. The Customer selects the products and benefit levels under the plan. A person covered under this plan and their covered dependents are subject to all the conditions and provisions of the *Contract*.

The *Booklet* describes the rights and obligations of you and **Aetna**, what the plan covers and how benefits are paid for that coverage. It is your responsibility to understand the terms and conditions in this *Booklet*. Your *Booklet* includes the *Schedule of Benefits* and any amendments or riders.

If you become covered, this *Booklet* replaces and supersedes all *Booklets* describing similar coverage that **Aetna** previously issued to you.

Important Information Regarding Availability of Coverage

No services are covered under this *Booklet* in the absence of payment of current fees.

Coverage for You and Your Dependents

Health Expense Coverage

Benefits are payable for covered health care expenses that are incurred by you or your covered dependents while coverage is in effect. An expense is “incurred” on the day you receive a health care service or supply. This plan provides coverage for the following:

- Medical Plan

Coverage under this plan is non-occupational. Only **non-occupational injuries** and **non-occupational illnesses** are covered. Conditions that are related to pregnancy may be covered under this plan.

Refer to the *What the Plan Covers* section of the *Booklet* for more information about your coverage.

Treatment Outcomes of Covered Services

Aetna is not a provider of health care services and therefore is not responsible for and does not guarantee any results or outcomes of the covered health care services and supplies you receive. Providers of health care services, including, hospitals, institutions, facilities or agencies are independent contractors and are neither agents nor employees of **Aetna** or its affiliates.

When Your Coverage Begins

Who Can Be Covered

How and When to Enroll

When Your Coverage Begins

Throughout this section you will find information on who can be covered under the plan, how to enroll and what to do when there is a change in your life that affects coverage. In this section, “you” means the employee.

Who Can Be Covered

Employees

To be covered by this plan, the following requirements must be met:

- You will need to be in an “eligible class,” as defined below; and
- You will need to meet the “eligibility date criteria” described below.

Eligible Classes

You are in an eligible class if:

- You are a retired employee of an employer participating in this plan, and you:
 - Retired before the effective date of this plan and were covered under the prior plan for health care coverage on the day before you retired; or
 - Were covered under this plan or another plan sponsored by your employer on the day before you retired; and
 - Have completed 10 years of benefits eligible service and are age 55 or older.

Determining if You Are in an Eligible Class

You are in an eligible class if:

1. A Regular Employee who works at least 20 hours per week for at least 6 months.
2. A Member of the Faculty or Academic Staff of the Endowed Colleges who is employed at least one full semester at a time; or
3. A Postdoctoral Fellow or visiting fellow without salary in a Statutory Division of Cornell

Determining When You Become Eligible

You become eligible for the plan on your eligibility date, which is determined as follows.

On the Effective Date of the Plan

If you are in an eligible class on the effective date of this plan, your coverage eligibility date is the effective date of the plan.

After the Effective Date of the Plan

If you are hired after the effective date of this plan, your coverage eligibility date is the date you are hired.

If you enter an eligible class after the effective date of this plan, your coverage eligibility date is the date you enter the eligible class.

Obtaining Coverage for Dependents

Your dependents can be covered under your plan. You may enroll the following dependents:

- Your legal spouse; or
- Your domestic partner who meets the rules set by your employer; and
- Your dependent children.
- Dependent children of your domestic partner.

Aetna will rely upon your employer to determine whether or not a person meets the definition of a dependent for coverage under the plan. This determination will be conclusive and binding upon all persons for the purposes of this plan.

Coverage for Domestic Partner

To be eligible for coverage, you and your domestic partner will need to complete and sign a Declaration of Domestic Partnership. If you have completed and signed a statement of Domestic Partnership and the statement is acceptable to your employer, you may cover as your dependent the person who is the domestic partner named in your statement.

Imputed Income Assessed on Domestic Partners

The value of the health benefits your partner receives is viewed as taxable income based on the Internal Revenue Code. Domestic partners do not meet the IRS's definition of a dependent. When an employer provides a benefit to someone other than a dependent (as defined by the Internal Revenue Code), the value of the benefit provided must be calculated into the gross income of the employee for tax purposes. Faculty and staff who cover a partner should be aware that this may increase their federal and state taxes.

The imputed income is the total amount Cornell University contributes toward coverage less the amount Cornell contributes for employee-only coverage. The value is added into your gross income per pay period. The tax implications vary by individual and you may need to seek the advice of your tax advisor.

If you are enrolled in a coverage level other than employee-only, and are adding your partner to your coverage, your imputed income is calculated on the value of Cornell University's contribution for employee-only coverage.

The cost of coverage for your domestic partner must be paid on an after-tax basis and will be deducted from your paycheck. The cost of coverage is the amount you pay versus the amount the University contributes towards the cost of the level of coverage you have (Imputed Income is calculated on the University portion).

Same-Sex Spouses Married in NY State or Other Jurisdictions or Countries

The Marriage Equality Act became effective on July 24, 2011. The Act amends the Domestic Relations Law to provide that a marriage that is otherwise valid shall be valid in New York regardless of whether the parties to the marriage are of the same- or opposite sex. Spouses of the same-sex who are married in New York State as well as the following jurisdictions: California, Connecticut, Delaware, Hawaii, Illinois, Iowa, Maine, Maryland, Massachusetts, Minnesota, New Hampshire, New Jersey, New Mexico, Oregon, Pennsylvania, Rhode Island, Vermont and Washington, DC. and countries: The Netherlands, Belgium, Spain, Canada, South Africa, Norway, Sweden, Portugal, Iceland and Argentina, need only to provide a valid and current marriage certificate in order to enroll their spouse for health and dental benefits.

Important Note

Although same-sex spouses are recognized by the jurisdictions listed above, they are not considered to be qualified as dependents under the federal internal Revenue Code Section 152. Thus, health plan premiums for same-sex spouses may not be taken on a pre-federal income tax basis. In addition, the value of the benefits provided to non-federally qualified dependents becomes imputed income for the enrollee and Federal income tax must be paid on that value. Due to the Marriage Equality Act in NY State, spouses of the same-sex will no longer be subject to imputed income for New York State income tax purposes.

There are two tax effects that occur in this situation. First, the employee portion of the total premium is split between allowable pre-tax dollars for recognized dependents and after tax dollars for spouses/partners/children who do not

qualify for dependency status under the federal tax law. Secondly, the value of the employer premium that represents support for non-tax qualified dependents on the federal level must be added to the income of the faculty or staff member and the proper withholding will accompany this designation.

These tax effects do not apply if you can claim your same-sex spouse as a tax dependent. You will need to complete the “Endowed health & Dental Plan Dependent Affidavit” with your enrollment form. We strongly encourage you to consult your tax advisor to review your individual situation.

Coverage for Dependent Children

To be eligible, a dependent child must be under 26 years of age. Coverage will end on December 31st of the year in which the dependent child turns age 26.

An eligible dependent child includes:

- Your biological children;
- Your stepchildren;
- Your legally adopted children;
- Any children for whom you are responsible under court order;
- Your grandchildren in your court-ordered custody; and
- Any other child who lives with you in a parent-child relationship.

Coverage for a handicapped child may be continued past the age limits shown above. See *Handicapped Dependent Children* for more information.

Important Reminder

Keep in mind that you cannot receive coverage under the plan as:

- Both an employee and a dependent; or
- A dependent of more than one employee.

How and When to Enroll

Initial Enrollment in the Plan

You will be provided with plan benefit and enrollment information when you first become eligible to enroll. You will need to enroll in a manner determined by **Aetna** and your employer. To complete the enrollment process, you will need to provide all requested information for yourself and your eligible dependents. You will also need to agree to make required contributions for any contributory coverage. Your employer will determine the amount of your plan contributions, which you will need to agree to before you can enroll. Your employer will advise you of the required amount of your contributions and will deduct your contributions from your pay. Remember plan contributions are subject to change.

You will need to enroll within 60 days of your eligibility date. Otherwise, you may be considered a Late Enrollee. If you miss the enrollment period, you will not be able to participate in the plan until the next annual enrollment period, unless you qualify under a Special Enrollment Period, as described below.

If you do not enroll for coverage when you first become eligible, but wish to do so later, your employer will provide you with information on when and how you can enroll.

Section 125, the Internal Revenue Code and related regulations which govern certain aspects of the plan's operation prohibit employees from making a change in coverage during the year unless they experience a Qualified Change in Family Status or a Special Termination Event. Those circumstances are described in the Special Enrollment Periods section of this Summary of Coverage. Of course, you can always change your coverage election during the annual enrollment period each November. Changes made during the annual enrollment period are effective January 1 of the following year. Our plan is administered in this manner to comply with IRS regulations.

Late Enrollment

If you do not enroll during the Initial Enrollment Period, or a subsequent annual enrollment period, you and your eligible dependents may be considered **Late Enrollees** and coverage may be deferred until the next annual enrollment period. If, at the time of your initial enrollment, you elect coverage for yourself only and later request coverage for your eligible dependents, they may be considered **Late Enrollees**.

You must enroll before the end of the next annual enrollment period.

However, you and your eligible dependents may not be considered **Late Enrollees** under the circumstances described in the “Special Enrollment Periods” section below.

Annual Enrollment

During the annual enrollment period, you will have the opportunity to review your coverage needs for the upcoming year. During this period, you have the option to change your coverage. The choices you make during this annual enrollment period will become effective January 1.

If you do not enroll yourself or a dependent for coverage when you first become eligible, but wish to do so later, you will need to do so during the next annual enrollment period, unless you qualify under one of the Special Enrollment Periods, as described below.

Special Enrollment Periods

You will not be considered a **Late Enrollee** if you qualify under a Special Enrollment Period as defined below. If one of these situations applies, you may enroll before the next annual enrollment period.

Loss of Other Health Care Coverage

You or your dependents may qualify for a Special Enrollment Period if:

- You did not enroll yourself or your dependent when you first became eligible or during any subsequent annual enrollments because, at that time:
 - You or your dependents were covered under other **creditable coverage**; and
 - You refused coverage and stated, in writing, at the time you refused coverage that the reason was that you or your dependents had other **creditable coverage**; and
- You or your dependents are no longer eligible for other **creditable coverage** because of one of the following:
 - The end of your or your dependents employment;
 - A reduction in your hours of employment (for example, moving from a full-time to non benefits eligible part-time position);
 - The ending of the other plan’s coverage;
 - Death;
 - Divorce or legal separation;
 - Employer contributions toward that coverage have ended;
 - COBRA coverage ends;
 - the employer’s decision to stop offering the group health plan to the eligible class to which you belong;
 - cessation of a dependent’s status as an eligible dependent as such is defined under this Plan;
 - with respect to coverage under Medicaid or an S-CHIP Plan, you or your dependents no longer qualify for such coverage; or
 - you or your dependents have reached the lifetime maximum of another Plan for all benefits under that Plan.
- You will need to enroll yourself or a dependent for coverage within:
 - 60 days of when other **creditable coverage** ends;
 - Within 60 days of when coverage under Medicaid or an S-CHIP Plan ends; or
 - Within 60 days of the date you or your dependents become eligible for Medicaid or S-CHIP premium assistance.

Evidence of termination of **creditable coverage** must be provided to your employer or the party it designates. If you do not enroll during this time, you will need to wait until the next annual enrollment period.

New Dependents

You and your dependents may qualify for a Special Enrollment Period if:

- You did not enroll when you were first eligible for coverage; and
- You later acquire a dependent, as defined under the plan, through marriage, birth, adoption, or placement for adoption; and
- You elect coverage for yourself and your dependent within 60 days of acquiring the dependent.

Your spouse, domestic partner or child who meets the definition of a dependent under the plan may qualify for a Special Enrollment Period if:

- You did not enroll them when they were first eligible; and
- You later elect coverage for them within 60 days of a court order requiring you to provide coverage.

You will need to report any new dependents by completing an enrollment form, which is available from your employer. The form must be completed and returned to **Cornell Benefit Services** within 60 days of the change. If you do not return the form within 60 days of the change, you will need to make the changes during the next annual enrollment period.

If You Adopt a Child

Your plan will cover a child who is placed for adoption. This means you have taken on the legal obligation for total or partial support of a child whom you plan to adopt.

Your plan will provide coverage for a child who is placed with you for adoption if:

- The child meets the plan's definition of an eligible dependent on the date he or she is placed for adoption; and
- You request coverage for the child in writing within 60 days of the placement.
- Proof of placement will need to be presented to **Cornell Benefit Services** prior to the dependent enrollment.

When You Receive a Qualified Child Support Order

A Qualified Medical Child Support Order (QMCSO) is a court order requiring a parent to provide health care coverage to one or more children. Your plan will provide coverage for a child who is covered under a QMCSO, if:

- The child meets the plan's definition of an eligible dependent; and
- You complete an enrollment form. Child will automatically be enrolled in the event a form is not completed.

Coverage for the dependent will become effective on the date of the court order.

Under a QMCSO, if you are the non-custodial parent, the custodial parent may file claims for benefits. Benefits for such claims will be paid to the custodial parent.

When Your Coverage Begins

Your Effective Date of Coverage

If you have met all the eligibility requirements, your coverage takes effect on your eligibility date:

If you do not return your completed enrollment information within 60 days of your eligibility date, the rules under the *Special or Late Enrollment Periods* section will apply.

Important Notice:

You must pay the required contribution in full retroactive to your eligibility date.

Your Dependent's Effective Date of Coverage

Your dependent's coverage takes effect on the same day that your coverage becomes effective, if you have enrolled them in the plan.

Note: New dependents need to be reported to **Cornell Benefit Services** within 60 days because they may affect your contributions. If you do not report a new dependent within 60 days of his or her eligibility date, the rules under the *Special or Late Enrollment Periods* section will apply.

Retired Employees

Retirees who do not continue coverage for any reason will not be allowed to re-enroll at a later date.

How Your Medical Plan Works

Common Terms

Accessing Providers

Precertification

It is important that you have the information and useful resources to help you get the most out of your **Aetna** medical plan. This Booklet explains:

- Definitions you need to know;
- How to access care, including procedures you need to follow;
- What expenses for services and supplies are covered and what limits may apply;
- What expenses for services and supplies are not covered by the plan;
- How you share the cost of your covered services and supplies; and
- Other important information such as eligibility, complaints and appeals, termination, continuation of coverage, and general administration of the plan.

Important Notes

- Unless otherwise indicated, “you” refers to you and your covered dependents. You can refer to the *Eligibility* section for a complete definition of ‘you’.
- Your health plan pays benefits only for services and supplies described in this Booklet as **covered expenses** that are **medically necessary**.
- This Booklet applies to coverage only and does not restrict your ability to receive health care services that are not or might not be covered benefits under this health plan.
- Store this Booklet in a safe place for future reference.

Common Terms

Many terms throughout this Booklet are defined in the *Glossary* section at the back of this document. Defined terms appear in bolded print. Understanding these terms will also help you understand how your plan works and provide you with useful information regarding your coverage.

About Your Aetna Choice POS II Medical Plan

Important Note

Network providers have contracted with **Aetna**, an affiliate or third party vendor to provide health care services and supplies to **Aetna** plan members. **Network providers** are generally identified in the printed **directory** and the on-line version of the **directory** via DocFind at www.aetna.com/docfind/custom/cornell unless otherwise noted in this section. **Out-of-Network providers** are not listed in the **Aetna directory**.

This Aetna Choice POS II medical plan provides coverage for a wide range of medical expenses for the treatment of **illness** or **injury**. It does not provide benefits for all medical care. The plan also provides coverage for certain preventive and wellness benefits. With your Aetna Choice POS II plan, you can directly access any **physician, hospital or other health care** provider (**network** or **out-of-network**) for covered services and supplies under the plan. The plan pays benefits differently when services and supplies are obtained through **network providers** or **out-of-network providers**.

The plan will pay for **covered expenses** up to the maximum benefits shown in this Booklet. Coverage is subject to all the terms, policies and procedures outlined in this Booklet. Not all medical expenses are covered under the plan.

Exclusions and limitations apply to certain medical services, supplies and expenses. Refer to the *What the Plan Covers, Exclusions, Limitations and Schedule of Benefits* sections to determine if medical services are covered, excluded or limited.

This Aetna Choice POS II plan provides access to covered benefits through a network of health care providers and facilities. This Aetna Choice POS II plan is designed to lower your out-of-pocket costs when you use **network providers** for **covered expenses**. Your **deductibles, copayments, and coinsurance** will generally be lower when you use participating **network providers** and facilities.

You also have the choice to access licensed **providers, hospitals** and facilities outside the network for covered benefits. Your out-of-pocket costs will generally be higher. **Deductibles, copayments, and coinsurance** are usually higher when you utilize **out-of-network providers**. **Out-of-network providers** have not agreed to accept the **negotiated charge** and may balance bill you for charges over the amount **Aetna** pays under the plan.

Some services and supplies may only be covered through **network providers**. Refer to the *Covered Benefit* sections and your *Schedule of Benefits* to determine if any services are limited to network coverage only.

Your out-of-pocket costs may vary between network and out-of-network benefits. Read your *Schedule of Benefits* carefully to understand the cost sharing charges applicable to you.

Availability of Providers

Aetna cannot guarantee the availability or continued participation of a particular provider. Either **Aetna** or any **network provider** may terminate the **provider** contract or limit the number of patients accepted in a practice. If the **physician** initially selected cannot accept additional patients, you will be notified by the Provider and given an opportunity to make another selection.

Ongoing Reviews

Aetna conducts ongoing reviews of those services and supplies which are recommended or provided by health professionals to determine whether such services and supplies are covered benefits under this Booklet. If **Aetna** determines that the recommended services or supplies are not covered benefits, you will be notified. You may appeal such determinations by contacting **Aetna** to seek a review of the determination. Please refer to the *Claim Procedures/Complaints and Appeals* section of this Booklet.

To better understand the choices that you have with your Aetna Choice POS II plan, please carefully review the following information.

How Your Aetna Choice POS II Medical Plan Works

Important Note

ID Card: You will receive an ID card. It identifies you as a member when you receive services from health care **providers**. If you have not received your ID card or if your card is lost or stolen, notify us immediately by calling 1-877-371-2007 and a new card will be issued.

Please refer to a description of the Wellness Benefit on pages 2 and 3 of the Schedule of Benefits.

Accessing Network Providers and Benefits

- If you wish to take advantage of the Enhanced Wellness then you must select a **PCP** from the Cornell Program for Health Living list of **network providers**. You can search Aetna's Custom DocFind for Cornell University www.aetna.com/docfind/custom/cornell for names and locations of **the PCPs, physicians and other health care providers and facilities**. You can change your **PCP** at anytime.
- If a service you need is covered under the plan but not available from a **network provider** or **hospital** in your area, please contact Member Services by email or at the toll-free number on your ID card for assistance.

- Certain health care services such as hospitalization, outpatient surgery and certain other outpatient services, require **precertification** with **Aetna** to verify coverage for these services. You do not need to **precertify** services provided by a **network provider**. **Network providers** will be responsible for obtaining necessary **precertification** for you. Since **precertification** is the provider's responsibility, there are no additional out-of-pocket costs to you as a result of a **network provider's** failure to **precertify** services. Refer to the *Understanding Precertification* section for more information on the **precertification** process and what to do if your request for **precertification** is denied.
- You will not have to submit medical claims for treatment received from network health care professionals and facilities. Your **network provider** will take care of claim submission. **Aetna** will directly pay the **network provider** or facility less any cost sharing required by you. You will be responsible for **deductibles, payment percentage and copayments**, if any.

You will receive notification of what the plan has paid toward your **covered expenses**. It will indicate any amounts you owe towards your **deductible, copayments, or payment percentage** or other non-covered expenses you have incurred. You may elect to receive this notification by e-mail, or through the mail. Call or e-mail Member Services if you have questions regarding your statement.

Cost Sharing For Network Benefits

You share in the cost of your benefits. Cost Sharing amounts and provisions are described in the *Schedule of Benefits*.

When you or your eligible dependents become covered under this plan, you have access to a unique network of Primary Care Physicians, specialists and health care facilities. Cornell University and Aetna Life Insurance Company (Aetna) have joined forces to create an expanded network of health care providers. In many cases, you will receive the Plan's maximum level of coverage when you receive care from a participating Cornell University provider. This type of providers is referred to as a **Home Host Provider**. If care is provided by a physician or facility in Aetna's network of providers, that care is also covered, but your copayment will be higher. Read your *Schedule of Benefits* carefully to understand the cost sharing charges applicable to you.

- **Network providers** have agreed to accept the **negotiated charge**. **Aetna** will reimburse you for a **covered expense**, incurred from a **network provider**, up to the **negotiated charge** and the maximum benefits under this Plan, less any cost sharing required by you such as **deductibles, copayments and payment percentage**. Your **payment percentage** is based on the **negotiated charge**. You will not have to pay any balance bills above the **negotiated charge** for that covered service or supply.
- You will need to satisfy any applicable **deductibles** before the plan will begin to pay benefits.
- For certain types of services and supplies, you will be responsible for any **copayments** shown in the *Schedule of Benefits*.
- After you satisfy any applicable **deductible**, you will be responsible for any applicable **payment percentage** for **covered expenses** that you incur. Your **payment percentage** is based on the **negotiated charge**. You will not have to pay any balance bills above the **negotiated charge** for that covered service or supply. You will be responsible for your **payment percentage** up to the **maximum out-of-pocket limit** applicable to your plan.
- Once you satisfy the **maximum out-of-pocket limit**, the plan will pay 100% of the **covered expenses** that apply toward the limit for the rest of the Calendar Year. Certain designated out-of-pocket expenses may not apply to the **maximum out-of-pocket limit**. Refer to the *Schedule of Benefits* section for information on what expenses do not apply. Refer to your *Schedule of Benefits* for the specific **maximum out-of-pocket limit**, amounts that apply to your plan.
- The plan will pay for **covered expenses**, up to the maximums shown in the *What the Plan Covers* or *Schedule of Benefits* sections. You are responsible for any expenses incurred over the maximum limits outlined in the *What the Plan Covers* or *Schedule of Benefits* sections.
- You may be billed for any **deductible, copayment, or payment percentage** amounts, or any non-covered expenses that you incur.

Accessing Out-of-Network Providers and Benefits, and Out-of-Country Care

- Certain health care services such as hospitalization, outpatient surgery and certain other outpatient services,

require **precertification** with **Aetna** to verify coverage for these services. When you receive services from an **out-of-network provider**, you are responsible for obtaining the necessary **precertification** from **Aetna**. Your provider may **precertify** the services for you. However, you should verify with **Aetna** prior to the service, that the provider has obtained **precertification** from **Aetna**. If the service is not **precertified**, the benefit payable may be significantly reduced or may not be covered. This means you will be responsible for the unpaid balance of any bills. You must call the **precertification** toll-free number on your ID card to **precertify** services. Refer to the *Understanding Precertification* section for more information on the **precertification** process and what to do if your request for **precertification** is denied.

- When you use **out-of-network providers**, you may have to pay for services at the time they are rendered. You may be required to pay the full charges and submit a claim form to **Aetna** for reimbursement. You are responsible for completing and submitting claim forms for reimbursement of **covered expenses** that you paid directly to an **out-of-network provider**.
- When you pay an **out-of-network provider** directly, you will be responsible for completing a claim form to receive reimbursement of **covered expenses** from **Aetna**. You must submit a completed claim form and proof of payment to **Aetna**. Refer to the *General Provisions* section of this Booklet for a complete description of how to file a claim under this plan.
- You will receive notification of what the plan has paid toward your **covered expenses**. It will indicate any amounts you owe towards any **deductible**, or **payment percentage** amounts or other non-covered expenses you have incurred. You may elect to receive this notification by e-mail, or through the mail. Call or e-mail Member Services if you have questions regarding your statement.

Out-of-Country Care

Medically necessary care provided outside of the United States is covered as an In-Network Benefit. As with other **out-of-network providers**, you may need to pay for services at the time they are rendered. You may be required to pay the full charges and submit a claim form to **Aetna** for reimbursement.

Important Note

Failure to **precertify** services and supplies will result in a reduction of benefits or no coverage for the services or supplies under this Booklet. Please refer to the *Understanding Precertification* section for information on how to request **precertification**.

Cost Sharing for Out-of-Network Benefits

You share in the cost of your benefits. Cost Sharing amounts and provisions are described in the *Schedule of Benefits*.

- You will need to satisfy any applicable **deductibles** before the plan will begin to pay benefits.
- After you satisfy any applicable **deductible**, you will be responsible for any applicable **payment percentage** for **covered expenses** that you incur. You will be responsible for your **payment percentage** up to the **maximum out-of-pocket limit** applicable to your plan.
- Your **payment percentage** will be based on the **recognized charge**. If the health care provider you select charges more than the **recognized charge**, you will be responsible for any expenses above the **recognized charge**.
- Once you satisfy the **maximum out-of-pocket limit**, the plan will pay 100% of the **covered expenses** that apply toward the limit for the rest of the Calendar Year. Certain designated out-of-pocket expenses may not apply to the **maximum out-of-pocket limit**. Refer to the *Getting Started: Common Terms* section for information on what expenses do not apply. Refer to your *Schedule of Benefits* for specific dollar amounts.
- The plan will pay for **covered expenses**, up to the maximums shown in the *What the Plan Covers* or *Schedule of Benefits* sections. You are responsible for any expenses incurred over the maximum limits outlined in the *What the Plan Covers* or *Schedule of Benefits* sections.

Understanding Precertification

Precertification

Certain services, such as inpatient **stays**, certain tests, procedures and **outpatient surgery** require **precertification** by **Aetna**. **Precertification** is a process that helps you and your **physician** determine whether the services being recommended are **covered expenses** under the plan. It also allows **Aetna** to help your provider coordinate your transition from an inpatient setting to an outpatient setting (called discharge planning), and to register you for specialized programs or case management when appropriate.

You do not need to **precertify** services provided by a **network provider**. **Network providers** will be responsible for obtaining necessary **precertification** for you. Since **precertification** is the provider's responsibility, there is no additional out-of-pocket cost to you as a result of a **network provider's** failure to **precertify** services.

When you go to an **out-of-network provider**, it is your responsibility to obtain **precertification** from **Aetna** for any services or supplies on the **precertification** list below. If you do not **precertify**, your benefits may be reduced, or the plan may not pay any benefits. The list of services requiring **precertification** follows on the next page.

Important Note

Please read the following sections in their entirety for important information on the **precertification** process, and any impact it may have on your coverage.

The Precertification Process

Prior to being **hospitalized** or receiving certain other medical services or supplies there are certain **precertification** procedures that must be followed.

You are responsible for obtaining **precertification**. You or a member of your family, a **hospital** staff member, or the attending **physician**, must notify **Aetna** to **precertify** the admission or medical services and expenses prior to receiving any of the services or supplies that require **precertification** pursuant to this Booklet in accordance with the following timelines:

Precertification should be secured within the timeframes specified below. To obtain **precertification**, call **Aetna** at the telephone number listed on your ID card. This call must be made:

For non-emergency admissions:	You, your physician or the facility will need to call and request precertification at least 14 days before the date you are scheduled to be admitted.
For an emergency outpatient medical condition :	You or your physician should call prior to the outpatient care, treatment or procedure if possible; or as soon as reasonably possible.
For an emergency admission :	You, your physician or the facility must call within 48 hours or as soon as reasonably possible after you have been admitted.
For an urgent admission :	You, your physician or the facility will need to call before you are scheduled to be admitted. An urgent admission is a hospital admission by a physician due to the onset of or change in an illness ; the diagnosis of an illness ; or an injury .
For outpatient non-emergency medical services requiring precertification :	You or your physician must call at least 14 days before the outpatient care is provided, or the treatment or procedure is scheduled.

Aetna will provide a written notification to you and your **physician** of the **precertification** decision. If your **precertified** expenses are approved the approval is good for 60 days as long as you remain enrolled in the plan.

When you have an inpatient admission to a facility, **Aetna** will notify you, your **physician** and the facility about your **precertified** length of **stay**. If your **physician** recommends that your **stay** be extended, additional days will need to be certified. You, your **physician**, or the facility will need to call **Aetna** at the number on your ID card as soon as reasonably possible, but no later than the final authorized day. **Aetna** will review and process the request for an extended **stay**. You and your **physician** will receive a notification of an approval or denial.

If **precertification** determines that the **stay** or services and supplies are not **covered expenses**, the notification will explain why and how **Aetna's** decision can be appealed. You or your provider may request a review of the **precertification** decision pursuant to the *Claim Procedures/Complaints and Appeals /Dispute Resolution* section of this Booklet.

Services and Supplies Which Require Precertification

Precertification is required for the following types of medical expenses:

Inpatient and Outpatient Care

- Stays in a hospital;
- Stays in a skilled nursing facility;
- Stays in a rehabilitation facility;
- Stays in a hospice facility;
- Outpatient hospice care;
- Stays in a Residential Treatment Facility for treatment of mental disorders and substance abuse;
- Partial Hospitalization Programs for mental disorders and substance abuse;
- Home health care;
- Private duty nursing care;
- Intensive Outpatient Programs for mental disorders and substance abuse;
- Amytal interview;
- Applied Behavioral Analysis;
- Biofeedback;
- Electroconvulsive therapy;
- Neuropsychological testing;
- Outpatient detoxification;
- Psychiatric home care services;
- Psychological testing.

How Failure to Precertify Affects Your Benefits

A **precertification** benefit reduction will be applied to the benefits paid if you fail to obtain a required **precertification** prior to incurring medical expenses. This means **Aetna** will reduce the amount paid towards your coverage, or your expenses may not be covered. You will be responsible for the unpaid balance of the bills.

You are responsible for obtaining the necessary **precertification** from **Aetna** prior to receiving services from an **out-of-network provider**. Your provider may **precertify** your treatment for you; however you should verify with **Aetna** prior to the procedure, that the provider has obtained **precertification** from **Aetna**. If your treatment is not **precertified** by you or your provider, the benefit payable may be significantly reduced or your expenses may not be covered.

How Your Benefits for Inpatient and Outpatient Care, Procedures and Treatment are Affected

The chart below illustrates the effect on your benefits if necessary **precertification** for outpatient or inpatient services, procedures and treatments is not obtained.

If precertification is:	then the expenses are:
▪ requested and approved by Aetna	▪ covered.
▪ requested and denied	▪ not covered, may be appealed.

<ul style="list-style-type: none"> ▪ not requested, but would have been covered if requested 	<ul style="list-style-type: none"> ▪ covered after a precertification benefit reduction is applied.*
<ul style="list-style-type: none"> ▪ not requested, would not have been covered if requested. 	<ul style="list-style-type: none"> ▪ not covered, may be appealed.

It is important to remember that any additional out-of-pocket expenses incurred because your **precertification** requirement was not met will not count toward your **deductible** or **payment percentage** or **maximum out-of-pocket limit**.

*Refer to the *Schedule of Benefits* section for the amount of **precertification** benefit reduction that applies to your plan.

Pre-Determination

Although not required, you may also request a pre-determination. A pre-determination will help you and your **physician** determine whether the services being recommended are **covered expenses** under the plan. To obtain a pre-determination, call **Aetna** at the telephone number listed on your ID card

If **Aetna** determines that the services and supplies are not **covered expenses**, the notification will explain why and how **Aetna's** decision can be appealed. You or your provider may request a review of the **precertification** decision pursuant to the Claims and Appeals section included with this Booklet.

Emergency and Urgent Care

You have coverage 24 hours a day, 7 days a week, anywhere inside or outside the plan's service area, for:

- An **emergency medical condition**; or
- An **urgent condition**.

In Case of a Medical Emergency

An **emergency medical condition** is a recent and severe condition, sickness, or **injury**, including (but not limited to) severe pain, which would lead a prudent layperson (including the parent or guardian of a minor child or the guardian of a disabled individual) possessing an average knowledge of medicine and health, to believe that failure to get immediate medical care could result in:

- Placing your health in serious jeopardy;
- Serious impairment to a bodily function(s);
- Serious dysfunction to a body part(s) or organ(s); or
- In the case of a pregnant woman, serious jeopardy to the health of the unborn child.

When **emergency care** is necessary, please follow the guidelines below.

- Seek the nearest emergency room, or dial 911 or your local emergency response service for medical and ambulatory assistance. If possible, call your **physician** provided a delay would not be detrimental to your health.
- After assessing and stabilizing your condition, the emergency room should contact your **physician** to obtain your medical history to assist the emergency **physician** in your treatment.
- If you are admitted to an inpatient facility, notify your **physician** as soon as reasonably possible.
- If you seek care in an emergency room for a non-emergency condition (one that does not meet the criteria above), your benefits will be reduced. Please refer to the *Schedule of Benefits* for specific details about the plan.

Coverage for Emergency Medical Conditions

The plan will pay for **hospital** services provided in an emergency room to evaluate and treat an **emergency medical condition**.

The **emergency care** benefit covers:

- Use of emergency room facilities;
- Emergency room **physicians'** services;
- **Hospital** nursing staff services; and
- Radiologists and pathologists services.

Please contact a **physician** after receiving treatment of an **emergency medical condition**.

Important Reminder

If you visit a **hospital** emergency room for a non-emergency condition, the plan will pay a reduced benefit, as shown in the *Schedule of Benefits*. No other plan benefits will pay for non-emergency care in the emergency room.

In Case of an Urgent Condition

An **urgent condition** is a sudden **illness, injury** or condition that:

- Requires prompt medical attention to avoid serious deterioration of your health;
- Cannot be adequately managed without urgent care or treatment;
- Does not require the level of care provided in a **hospital** emergency room; and
- Requires immediate outpatient medical care that cannot wait for your **physician** to become available.

Call your **physician** if you think you need urgent care. **Physicians** usually provide coverage 24 hours a day, including weekends and holidays for urgent care. You may contact any **physician** or **urgent care provider**, for an **urgent care condition** if you cannot reach your **physician**.

If it is not feasible to contact your **physician**, please do so as soon as possible after urgent care is provided. If you need help finding an **urgent care provider** you may call Member Services at the toll-free number on your I.D. card, or you may access **Aetna's** online provider directory at www.aetna.com.

Coverage for an Urgent Condition

The plan will pay for the services of an **urgent care provider** to evaluate and treat an **urgent condition**.

Your coverage includes:

- Use of urgent care facilities;
- **Physician** services;
- Nursing services; and
- Staff radiologists and pathologists services.

Non-Urgent Care

If you seek care from an **urgent care provider** for a non-urgent condition (one that does not meet the criteria above), the plan will not cover the expenses you incur. Please refer to the *Schedule of Benefits* for specific plan details.

Important Reminder

If you visit an **urgent care provider** for a non-urgent condition, the plan will not cover your expenses, as shown in the *Schedule of Benefits*.

Follow-Up Care After Treatment of an Emergency or Urgent Medical Condition

Follow-up care is not considered an emergency or **urgent condition** and is not covered as part of any emergency or urgent care visit. Once you have been treated and discharged, you should contact your **physician** for any necessary follow-up care.

For coverage purposes, follow-up care is treated as an expense for routine **illness** or **injury**. If you access a **hospital** emergency room for follow-up care, your coverage will be reduced and you will be responsible for more of the cost of your treatment. Refer to your *Schedule of Benefits* for cost sharing information applicable to your plan.

To keep your out-of-pocket costs lower, your follow-up care should be provided by a **physician**.

You may use an **out-of-network provider** for your follow-up care. You will be subject to the **deductible and coinsurance** that apply to out-of-network expenses, which may result in higher out-of-pocket costs to you.

Important Notice

Follow up care, which includes (but is not limited to) suture removal, cast removal and radiological tests such as x-rays, should **not** be provided by an emergency room facility.

Requirements For Coverage

 - (d) And not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's **illness, injury**, or disease.

For these purposes “generally accepted standards of medical practice” means standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, or otherwise consistent with **physician** specialty society recommendations and the views of **physicians** practicing in relevant clinical areas and any other relevant factors.

Important Note

Not every service, supply that fits the definition for **medical necessity** is covered by the plan. Exclusions and limitations apply to certain medical services, supplies and expenses. When Coverage Ends

Coverage under your plan can end for a variety of reasons. In this section, you will find details on how and why coverage ends, and how you may still be able to continue coverage.

When Coverage Ends for Employees

Your coverage under the plan will end if:

- The **Aetna** health benefits plan is discontinued;
- You voluntarily stop your coverage;
- You are no longer eligible for coverage;
- You do not make any required contributions;
- You become covered under another plan offered by your employer;
- You have exhausted your overall maximum lifetime benefit under your health plan, if your plan contains such a maximum benefit; or
- Your employer notifies **Aetna** that your employment is ended.

It is your employer's responsibility to let **Aetna** know when your employment ends.

Unless you provide notification to Benefit Services that you would like to continue health coverage within 60 days of the event, your current coverage will end on the last day of the pay period in which you received your last paycheck.

Continuing Coverage. Faculty and staff and/or their eligible family members may continue medical coverage should one of the following situations occur (provided that coverage is in effect on the date that event occurs):

Family or Medical Leave

Death or total disability

Divorce or legal separation

Layoff of a covered employee

Retirement prior to eligibility for Medicare

Veteran called to active duty

University leave

Family Medical Leave. Family Medical Leave entitles eligible faculty and staff to unpaid time away from work up to a total of 12 weeks. This is in accordance with the Family and Medical Leave Act (FMLA) of 1993. Be sure to contact the Division of Human Resources at Cornell University or review the Human Resource Policy.

You may continue your existing health insurance coverage during FML, provided you continue to pay for the employee share of premiums. If you are taking a FML without pay, (and not using accrued sick or vacation) you will be billed by PayFlex Direct Billing Unit. If you decide to terminate your health insurance coverage either at the start or during your FML, when you return from the leave, you have the right to have your health insurance reinstated on the same terms as prior to the leave.

Spouse, Domestic Partner and Dependent Coverage After Your Death. In the event that a covered active employee dies while covered under this plan or a retiree dies prior to reaching age 65, the surviving spouse, domestic partner, and any current or future eligible covered dependent children may continue the health plan until the surviving spouse remarries or the domestic partner enters a new domestic partnership, and/or the dependent children no longer qualify under the program's definitions. The University contribution will continue, and the surviving spouse or domestic partner will be billed for any required employee or retiree contribution.

Total Disability. A covered faculty or staff member who qualifies for long-term disability benefits can continue the coverage in effect at the time the disability occurs until the period of the disability ends. The University contribution will continue during the period of the approved disability leave and the faculty or staff member will be billed for any required contribution. If you become eligible for coverage under Medicare, you are no longer eligible to remain in this

Plan. You and your dependents will need to transfer coverage to the Aetna PPO LTD Medicare Primary Plan upon eligibility for Medicare. It is also your responsibility to enroll in Medicare parts A & B to assure continued coverage under the Aetna PPO LTD Medicare Primary Plan. Your dependents if Medicare eligible due to age or disability also need to enroll in Medicare A&B. The Aetna PPO LTD Medicare Primary Plan will take Medicare's benefit into consideration even if you fail to enroll. If you fail to enroll then the portion Medicare would have paid will be your responsibility. Call Benefit Services at 607-255-3936 for more information.

Divorce or Legal Separation. If you and your spouse decide to divorce or you and your domestic partner decide to terminate the domestic partnership, you (and any eligible dependents) can continue coverage. However, your ex-spouse/domestic partner will no longer be eligible to continue coverage under your plan but may be eligible to enroll in COBRA continuation coverage administered by Aetna. You will need to call Cornell University's Benefit Services at 607-255-3936 within 60 days of the divorce or termination of the domestic partnership, to complete an enrollment form and remove the dependent from coverage. In addition, you will need to include a copy of the divorce decree (front and back page only) as proof. Domestic Partners are required to complete a Termination of Domestic Partnership form.

If you and your spouse decide to legally separate, you can continue coverage for you, your legally separated spouse and any eligible dependents, or you can choose to cancel coverage for your legally separated spouse. If you do, they may be eligible to enroll in COBRA continuation coverage administered by Aetna. You will need to call Cornell University's Benefit Services at 607-255-3936 within 60 days of the legal separation to complete an enrollment form and remove the dependent from coverage. In addition, you will need to include a copy of the separation agreement (front and back page only) as proof.

Coverage During Layoff. Faculty or staff members who are no longer working because of a layoff or reduction in work force will continue to receive the University contribution toward the cost of health coverage for up to 12 months provided they enroll in COBRA continuation coverage administered by Aetna. If COBRA coverage is elected, you will be billed monthly by PayFlex COBRA Direct Billing Unit for the employee portion of the cost of your health plan. At the end of 12 months, you will be billed at the full COBRA rate remaining six months for a total of 18 months of continuation coverage.

However, if you become eligible for Medicare after the first 12 months then your COBRA coverage will terminate as outlined in the section on COBRA page 64. Any enrolled eligible dependents would be able to continue coverage for up to a total maximum of 36 as a qualifying event as outlined in the section on COBRA page 62. If your enrolled dependent becomes eligible for Medicare after the first 12 months then their coverage would terminate.

If you are already eligible for Medicare when you enroll in COBRA, then COBRA will not terminate. You will continue current coverage in this plan for the first 12 months, and then will be moved to the Cornell 80/20 retiree plan for the remaining six months. It is your responsibility to enroll in Medicare parts A & B as Medicare will be your primary carrier under COBRA. If you or your enrolled dependents fail to enroll in Medicare, then the Plan will take Medicare's benefit into consideration, and the portion Medicare would have paid will be your responsibility. Medicare may impose a penalty if you fail to enroll when first eligible.

Coverage Upon Retirement. Your coverage can be continued into retirement if you are at least age 55 when you retire, and have at least 10 years of benefit eligible service. If you cancel the Health Plan at any time, you will not be allowed to re-enroll at a later date.

If you are not yet 65 when you retire and are, therefore, not eligible for Medicare, you have the opportunity to continue coverage under this Plan. Upon attainment of age 65, you and your dependents will automatically be transferred to Cornell's Retiree 80/20 Plan, and you must enroll in Medicare Parts A&B. This also applies to your dependents, if Medicare eligible. If you or your enrolled dependents fail to enroll in Medicare, then the Plan will take Medicare's benefit into consideration, and the portion Medicare would have paid will be your responsibility. Medicare may impose a penalty if you fail to enroll when first eligible.

If you are not yet 65 when you retire but your enrolled spouse (and your dependents) is over 65 and is also retired or otherwise qualifies for Medicare primary coverage, he or she must enroll in Medicare Parts A&B. If you are not yet 65

when you retire but your domestic partner is over 65 he or she must enroll in Medicare Parts A&B regardless of status. If your spouse or domestic partner fail to enroll, then the Plan will take Medicare's benefit into consideration, and the portion Medicare would have paid will be your responsibility. Medicare may impose a penalty if you fail to enroll when first eligible.

If you are 65 or older when you retire and are eligible for Medicare, you and your dependents will receive coverage under the Retiree 80/20 Plan. This coverage is described in a separate plan summary booklet that is available upon request from Benefit Services at Cornell University, 395 Pine Tree Road, Ithaca, NY 14850, or call (607) 255-3936.

A faculty or staff member who retires and has not met the eligibility requirements for retiree medical coverage may be eligible to continue coverage under COBRA. If you retire before you turn 65 and are not enrolled or eligible for Medicare, you can continue coverage for up to 18 months or until you are enrolled for Medicare (whichever occurs first). If you retire after you turn 65 and are already enrolled for Medicare, you can continue coverage for up to 18 months. Eligible dependents may also be eligible to continue coverage under COBRA for up to 36 months. Please refer to the COBRA Continuation of Coverage section for complete details regarding Who Qualifies for COBRA and When Your COBRA Continuation Coverage Ends.

Coverage During University Leave. Staff members who voluntarily resign their positions and are granted a University leave are eligible to continue this Plan under COBRA.

When Coverage Ends for Dependents

A dependent's coverage will terminate at the first to occur of:

- You are no longer eligible for dependents' coverage;
- You do not make your contribution for the cost of dependents' coverage;
- Your own coverage ends for any of the reasons listed under *When Coverage Ends* for Employees (This does not apply if you use up your lifetime maximum, if included);
- Your dependent is no longer eligible for coverage. Coverage ends at the end of the pay period when your dependent does not meet the plan's definition of a dependent. For dependent children, the end of the year in which they turn age 26, or
 - As permitted under applicable federal and state law, your dependent becomes eligible for like benefits under this or any other group plan offered by your employer.
- For dependent children, the end of the year in which they turn age 26.

A domestic partner will no longer be considered to be a defined dependent on the earlier to occur of:

- The date this Plan no longer allows coverage for domestic partners.
- The date of termination of the domestic partnership. In that event, you should provide your Employer with a completed and signed Declaration of Termination of Domestic Partnership.

Continuation of Coverage

Continuing Health Care Benefits

Handicapped Dependent Children

Health Expense Coverage for your fully handicapped dependent child may be continued past the maximum age for a dependent child.

Your child is fully handicapped if:

- he or she is not able to earn his or her own living because of mental retardation or a physical handicap which started prior to the date he or she reaches the maximum age for dependent children under your plan; and
- he or she depends chiefly on you for support and maintenance.

Proof that your child is fully handicapped must be submitted to **Aetna** no later than 60 days after the date your child reaches the maximum age under your plan.

Coverage will cease on the first to occur of:

- Cessation of the handicap.
- Failure to give proof that the handicap continues.
- Failure to have any required exam.
- Termination of Dependent Coverage as to your child for any reason other than reaching the maximum age under your plan.

Aetna will have the right to require proof of the continuation of the handicap. **Aetna** also has the right to examine your child as often as needed while the handicap continues at its own expense. An exam will not be required more often than once each year after 2 years from the date your child reached the maximum age under your plan.

COBRA Continuation of Coverage

If your employer has more than 20 employees, the health plan continuation is governed by the Federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requirements. With COBRA you and your dependents can continue health coverage, subject to certain conditions and your payment of contributions. Continuation rights are available following a “qualifying event” that would cause you or family members to otherwise lose coverage. Qualifying events are listed in this section.

Continuing Coverage through COBRA

When you or your covered dependents become eligible, PayFlex Direct Billing Unit will provide you with detailed information on continuing your health coverage through COBRA.

You or your dependents will need to:

- Complete and submit an application for continued health coverage, which is an election notice of your intent to continue coverage.
- Submit your application within 60 days of the qualifying event, or within 60 days of PayFlex Direct Billing Unit notice of this COBRA continuation right, if later.
- Agree to pay the required contributions.

Who Qualifies for COBRA

You have 60 days from the qualifying event to elect COBRA. If you do not submit an application within 60 days, you will forfeit your COBRA continuation rights.

Below you will find the qualifying events and a summary of the maximum coverage periods according to COBRA requirements.

Qualifying Event Causing Loss of Health Coverage	Covered Persons Eligible to Elect Continuation	Maximum Continuation Periods
Your active employment ends for reasons other than gross misconduct	You and your dependents	18 months
Your working hours are reduced	You and your dependents	18 months
Your marriage is annulled, you divorce or legally separate and are no longer responsible for dependent coverage	Your dependents	36 months
You become entitled to benefits under Medicare	Your dependents	36 months
Your covered dependent children no longer qualify as dependents under the plan	Your dependent children	36 months
You die	Your dependents	36 months
You are a retiree eligible for health coverage and your former employer files for bankruptcy	You and your dependents	18 months

Note: If your active employment ends for a reason other than gross misconduct and you are not entitled to benefits under Medicare, you can continue coverage for a maximum continuation period of 18 months or until you are entitled to Medicare, whichever occurs first.

Disability May Increase Maximum Continuation to 29 Months

If You or Your Covered Dependents Are Disabled

If you or your covered dependent qualify for disability status under Title II or XVI of the Social Security Act during the 18 month continuation period, you or your covered dependent:

- Have the right to extend coverage beyond the initial 18 month maximum continuation period.
- Qualify for an additional 11 month period, subject to the overall COBRA conditions.
- Must notify PayFlex Direct Billing Unit at (800-429-9514) within 60 days of the disability determination status and before the 18 month continuation period ends.
- Must notify PayFlex Direct Billing Unit at (800-429-9514) within 30 days after the date of any final determination that you or a covered dependent is no longer disabled.
- Are responsible to pay the contributions after the 18th month, through the 29th month.

If There Are Multiple Qualifying Events

A covered dependent could qualify for an extension of the 18 or 29 month continuation period by meeting the requirements of another qualifying event, such as divorce or death. The total continuation period, however, can never exceed 36 months.

Determining Your Contributions For Continuation Coverage

Your contributions are regulated by law, based on the following:

- For the 18 or 36 month periods, contributions may never exceed 102 percent of the plan costs.
- During the 18 through 29 month period, contributions for coverage during an extended disability period may never exceed 150 percent of the plan costs.

When You Acquire a Dependent During a Continuation Period

If through birth, adoption or marriage*, you acquire a new dependent during the continuation period, your dependent can be added to the health plan for the remainder of the continuation period if:

- He or she meets the definition of an eligible dependent,
- PayFlex Direct Billing Unit is notified about your dependent within 60 days of eligibility, and
- Additional contributions for continuation are paid on a timely basis.

*marriage is limited to former employees only

Important Note

For more information about dependent eligibility, see the *Eligibility, Enrollment and Effective Date* section.

When Your COBRA Continuation Coverage Ends

Your COBRA coverage will end when the first of the following events occurs:

- You or your covered dependents reach the maximum COBRA continuation period – the end of the 18, 29 or 36 months. (Coverage for a newly acquired dependent who has been added for the balance of a continuation period would end at the same time your continuation period ends, if he or she is not disabled nor eligible for an extended maximum).
- You or your covered dependents do not pay required contributions.
- You or your covered dependents become covered under another group plan that does not restrict coverage for pre-existing conditions. If your new plan limits pre-existing condition coverage, the continuation coverage under this plan may remain in effect until the pre-existing clause ceases to apply or the maximum continuation period is reached under this plan.
- The date your employer no longer offers a group health plan.
- The date you or a covered dependent becomes enrolled in benefits under Medicare. This does not apply if it is contrary to the Medicare Secondary Payer Rules or other federal law.
- You or your dependent dies.

Important Note

A Conversion Policy is not offered.

Coordination of Benefits - What Happens When There is More Than One Health Plan

Other Plans Not Including Medicare

Other Plans Not Including Medicare

Some persons have health coverage in addition to coverage under this Plan. Under these circumstances, it is not intended that a plan provide duplicate benefits. For this reason, many plans, including this Plan, have a "coordination of benefits" provision.

Under the coordination of benefits provision of this Plan, the amount normally reimbursed under this Plan is reduced to take into account payments made by "other plans".

When this and another health expenses coverage plan applies, the order in which the various plans will pay benefits must be figured. This will be done as follows using the first rule that applies:

1. A plan with no rules for coordination with other benefits will be deemed to pay its benefits before a plan which contains such rules.
2. A plan which covers a person other than as a dependent will be deemed to pay its benefits before a plan which covers the person as a dependent; except that if the person is also a Medicare beneficiary and as a result of the Social Security Act of 1965, as amended, Medicare is:
 - secondary to the plan covering the person as a dependent; and
 - primary to the plan covering the person as other than a dependent;

The benefits of a plan which covers the person as a dependent will be determined before the benefits of a plan which:

- covers the person as other than a dependent; and
 - is secondary to Medicare.
3. Except in the case of a dependent child whose parents are divorced or separated; the plan which covers the person as a dependent of a person whose birthday comes first in a calendar year will be primary to the plan which covers the person as a dependent of a person whose birthday comes later in that calendar year. If both parents have the same birthday, the benefits of a plan which covered one parent longer are determined before those of a plan which covered the other parent for a shorter period of time.

If the other plan does not have the rule described in this provision (3) but instead has a rule based on the gender of the parent and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.

4. In the case of a dependent child whose parents are divorced or separated:
 - a. If there is a court decree which states that the parents shall share joint custody of a dependent child, without stating that one of the parents is responsible for the health care expenses of the child, the order of benefit determination rules specified in (3) above will apply.
 - b. If there is a court decree which makes one parent financially responsible for the medical, dental or other health care expenses of such child, the benefits of a plan which covers the child as a dependent of such parent will be determined before the benefits of any other plan which covers the child as a dependent child.
 - c. If there is not such a court decree:

If the parent with custody of the child has not remarried, the benefits of a plan which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a plan which covers the child as a dependent of the parent without custody.

If the parent with custody of the child has remarried, the benefits of a plan which covers the child as a dependent of the parent with custody shall be determined before the benefits of a plan which covers that child as a dependent of the stepparent. The benefits of a plan which covers that child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody.

5. If 1, 2, 3 and 4 above do not establish an order of payment, the plan under which the person has been covered for the longest will be deemed to pay its benefits first; except that:

The benefits of a plan which covers the person on whose expenses claim is based as a:

- laid-off or retired employee; or
- the dependent of such person;

Shall be determined after the benefits of any other plan which covers such person as:

- an employee who is not laid-off or retired; or
- a dependent of such person.

If the other plan does not have a provision:

- regarding laid-off or retired employees; and
- as a result, each plan determines its benefits after the other;

then the above paragraph will not apply.

The benefits of a plan which covers the person on whose expenses claim is based under a right of continuation pursuant to federal or state law shall be determined after the benefits of any other plan which covers the person other than under such right of continuation.

If the other plan does not have a provision:

- regarding right of continuation pursuant to federal or state law; and
- as a result, each plan determines its benefits after the other;

then the above paragraph will not apply.

The general rule is that the benefits otherwise payable under this Plan for all expenses incurred in a calendar year will be reduced by all "other plan" benefits payable for those expenses. When the coordination of benefits rules of this Plan and an "other plan" both agree that this Plan determines its benefits before such other plan, the benefits of the other plan will be ignored in applying the general rule above to the claim involved.

In order to administer this provision, Aetna can release or obtain data. Aetna can also make or recover payments.

When this provision operates to reduce the total amount of benefits otherwise payable as to a person covered under this Plan during a calendar year, each benefit that would be payable in the absence of this provision will be reduced proportionately. Such reduced amount will be charged against any applicable benefit limit of this Plan.

Other Plan

This means any other plan of health expense coverage under:

- Group insurance.
- Any other type of coverage for persons in a group. This includes plans that are insured and those that are not.
- No-fault auto insurance required by law and provided on other than a group basis. Only the level of benefits required by the law will be counted.

When You Have Medicare Coverage

Effect of Medicare

Effect of Medicare

Health Expense Coverage under this Plan will be changed for any person while eligible for Medicare.

A person is "eligible for Medicare" if he or she:

- Is covered under it;
- Is not covered under it because of:
 - Having refused it;
 - Having dropped it;
 - Having failed to make proper request for it.

These are the changes:

- The total amount of "regular benefits" under all Health Expense Benefits will be figured. (This will be the amount that would be payable if there were no Medicare benefits.) If this is more than the amount Medicare provides for the expenses involved, this Plan will pay the difference. Otherwise, this Plan will pay no benefits. This will be done for each claim.
- Charges used to satisfy a person's Part B deductible under Medicare will be applied under this Plan in the order received by **Aetna**. Two or more charges received at the same time will be applied starting with the largest first.
- Medicare benefits will be taken into account for any person while he or she is eligible for Medicare. This will be done whether or not he or she is entitled to or enrolled in Medicare benefits. This will also be done whether or not the provider accepts Medicare assignment, the provider does not accept Medicare assignment or the provider opts-out of Medicare.
- Any rule for coordinating "other plan" benefits with those under this Plan will be applied after this Plan's benefits have been figured under the above rules. Any benefits under Medicare will not be deemed to be an "Allowable Expense."

Coverage will not be changed at any time when your Employer's compliance with federal law requires this Plan's benefits for a person to be figured before benefits are figured under Medicare.

General Provisions

Type of Coverage

Coverage under the plan is **non-occupational**. Only **non-occupational** accidental **injuries** and **non-occupational illnesses** are covered. The plan covers charges made for services and supplies only while the person is covered under the plan.

Physical Examinations

Aetna will have the right and opportunity to examine and evaluate any person who is the basis of any claim at all reasonable times while a claim is pending or under review. This will be done at no cost to you.

Legal Action

No legal action can be brought to recover payment under any benefit after 3 years from the deadline for filing claims.

Confidentiality

Information contained in your medical records and information received from any provider incident to the provider patient relationship shall be kept confidential in accordance with applicable law. Information may be used or disclosed by **Aetna** when necessary for your care or treatment, the operation of the plan and administration of this Booklet, or other activities, as permitted by applicable law. You can obtain a copy of **Aetna**'s Notice of Information Practices by calling **Aetna**'s toll-free Member Service telephone.

Additional Provisions

The following additional provisions apply to your coverage:

- This Booklet applies to coverage only, and does not restrict your ability to receive health care services that are not, or might not be, covered.
- You cannot receive multiple coverage under the plan because you are connected with more than one employer.
- In the event of a misstatement of any fact affecting your coverage under the plan, the true facts will be used to determine the coverage in force.
- This document describes the main features of the plan. Additional provisions are described elsewhere in the *group contract*. If you have any questions about the terms of the plan or about the proper payment of benefits, contact your employer or **Aetna**.
- Your employer hopes to continue the plan indefinitely but, as with all group plans, the plan may be changed or discontinued with respect to your coverage.

Assignments

Coverage and your rights under this **Aetna** medical benefits plan may not be assigned. A direction to pay a provider is not an assignment of any right under this plan or of any legal or equitable right to institute any court proceeding.

Misstatements

Aetna's failure to implement or insist upon compliance with any provision of this **Aetna** medical benefits plan at any given time or times, shall not constitute a waiver of **Aetna's** right to implement or insist upon compliance with that provision at any other time or times.

Fraudulent misstatements in connection with any claim or application for coverage may result in termination of all coverage under this **Aetna** medical benefits plan.

Incontestability

As to **Accident** and Health Benefits:

Except as to a fraudulent misstatement, or issues concerning Premiums due:

- No statement made by the Contractholder or you or your dependent shall be the basis for voiding coverage or denying coverage or be used in defense of a claim unless it is in writing after it has been in force for 2 years from its effective date.
- No statement made by the Contractholder shall be the basis for voiding this Contract after it has been in force for 2 years from its effective date.
- No statement made by you, an eligible employee or your dependent shall be used in defense of a claim for loss incurred or starting after coverage as to which claim is made has been in effect for 2 years.

Subrogation and Right of Reimbursement

As used herein, the term "**Third Party**", means any party that is, or may be, or is claimed to be responsible for **illness** or **injuries** to you. Such **illness** or **injuries** are referred to as "**Third Party Injuries.**" "**Third Party**" includes any party responsible for payment of expenses associated with the care of treatment of **Third Party Injuries.**

If this plan pays benefits under this Booklet-Certificate to you for expenses incurred due to **Third Party Injuries**, then **Aetna** retains the right to repayment of the full cost of all benefits provided by this plan on your behalf that are associated with the **Third Party Injuries.** **Aetna's** rights of recovery apply to any recoveries made by or on your behalf from the following sources, including but not limited to:

- Payments made by a **Third Party** or any insurance company on behalf of the **Third Party**;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;
- Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate you for **injuries** resulting from an accident or alleged negligence.

By accepting benefits under this plan, you specifically acknowledge **Aetna's** right of subrogation. When this plan pays health care benefits for expenses incurred due to **Third Party Injuries**, **Aetna** shall be subrogated to your right of recovery against any party to the extent of the full cost of all benefits provided by this plan. **Aetna** may proceed against any party with or without your consent.

By accepting benefits under this plan, you also specifically acknowledge **Aetna's** right of reimbursement. This right of reimbursement attaches when this plan has paid benefits due to **Third Party Injuries** and you or your representative has recovered any amounts from a **Third Party**. By providing any benefit under this Booklet-Certificate, **Aetna** is granted an assignment of the proceeds of any settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided by this plan. **Aetna's** right of reimbursement is cumulative with and not exclusive of **Aetna's** subrogation right and **Aetna** may choose to exercise either or both rights of recovery.

By accepting benefits under this plan, you or your representatives further agree to:

- Notify **Aetna** promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to **Third Party Injuries** sustained by you;
- Cooperate with **Aetna** and do whatever is necessary to secure **Aetna's** rights of subrogation and reimbursement under this Booklet-Certificate;
- Give **Aetna** a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with **Third Party Injuries** provided by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement);
- Pay, as the first priority, from any recovery, settlement judgment, or other source of compensation, any and all amounts due **Aetna** as reimbursement for the full cost of all benefits associated with **Third Party Injuries** paid by this plan (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by **Aetna** in writing; and
- Do nothing to prejudice **Aetna's** rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid by the plan.
- Serve as a constructive trustee for the benefits of this plan over any settlement or recovery funds received as a result of **Third Party Injuries**.

Aetna may recover full cost of all benefits paid by this plan under this Booklet-Certificate without regard to any claim of fault on your part, whether by comparative negligence or otherwise. No court costs or attorney fees may be deducted from **Aetna's** recovery, and **Aetna** is not required to pay or contribute to paying court costs or attorney's fees for the attorney hired by you to pursue your claim or lawsuit against any **Third Party** without the prior express written consent of **Aetna**. In the event you or you representative fail to cooperate with **Aetna**, you shall be responsible for all benefits paid by this plan in addition to costs and attorney's fees incurred by **Aetna** in obtaining repayment.

Worker's Compensation (GR 9N S- 32- 01 002 NH)

If benefits are paid by **Aetna** and **Aetna** determines you received Worker's Compensation benefits for the same incident, **Aetna** has the right to recover as described under the *Subrogation and Right of Reimbursement* provision. **Aetna** will exercise its right to recover against you.

The Recovery Rights will be applied even though:

- The Worker's Compensation benefits are in dispute or are made by means of settlement or compromise;
- No final determination is made that bodily **injury** or **illness** was sustained in the course of or resulted from your employment;
- The amount of Worker's Compensation due to medical or health care is not agreed upon or defined by you or the Worker's Compensation carrier; or
- The medical or health care benefits are specifically excluded from the Worker's Compensation settlement or compromise.

You hereby agree that, in consideration for the coverage provided by this policy, you will notify **Aetna** of any Worker's Compensation claim you make, and that you agree to reimburse **Aetna** as described above.

If benefits are paid under this policy and you or your covered dependent recover from a responsible party by settlement, judgment or otherwise, **Aetna** has a right to recover from you or your covered dependent an amount equal to the amount **Aetna** paid.

Recovery of Overpayments

Health Coverage

If a benefit payment is made by **Aetna**, to or on your behalf, which exceeds the benefit amount that you are entitled to receive, **Aetna** has the right:

- To require the return of the overpayment; or
- To reduce by the amount of the overpayment, any future benefit payment made to or on behalf of that person or another person in his or her family.

Such right does not affect any other right of recovery **Aetna** may have with respect to such overpayment.

Reporting of Claims

A claim must be submitted to **Aetna** in writing. It must give proof of the nature and extent of the loss. Your employer has claim forms.

All other claims should be reported promptly. The deadline for filing a claim is 90 days after the date of the loss.

If, through no fault of your own, you are not able to meet the deadline for filing claim, your claim will still be accepted if you file as soon as possible. Unless you are legally incapacitated, late claims for health benefits will not be covered if they are filed more than 2 years after the deadline.

Payment of Benefits

Benefits will be paid as soon as the necessary proof to support the claim is received. Written proof must be provided for all benefits.

All covered health benefits are payable to you. However, **Aetna** has the right to pay any health benefits to the service provider. This will be done unless you have told **Aetna** otherwise by the time you file the claim.

Aetna will notify you in writing, at the time it receives a claim, when an assignment of benefits to a health care provider or facility will not be accepted.

The Plan may pay up to \$1,000 of any other benefit to any of your relatives whom it believes fairly entitled to it. This can be done if the benefit is payable to you and you are a minor or not able to give a valid release. It can also be done if a benefit is payable to your estate.

When a **PCP** provides care for you or a covered dependent, or care is provided by a **network provider** on referral by your **PCP (network services or supplies)**, the **network provider** will take care of filing claims. However, when you seek care on your own (**out-of-network services and supplies**), you are responsible for filing your own claims.

Records of Expenses

Keep complete records of the expenses of each person. They will be required when a claim is made.

Very important are:

- Names of **physicians, dentists** and others who furnish services.
- Dates expenses are incurred.
- Copies of all bills and receipts.

Contacting Aetna

If you have questions, comments or concerns about your benefits or coverage, or if you are required to submit information to **Aetna**, you may contact **Aetna's** Home Office at:

Aetna Life Insurance Company
151 Farmington Avenue
Hartford, CT 06156

Effect of Benefits Under Other Plans

Effect of An Health Maintenance Organization Plan (HMO Plan) On Coverage

If you are in an eligible class and have chosen coverage under an HMO Plan offered by your employer, you will be excluded from medical expense coverage (except Vision Care), if any, on the date of your coverage under such HMO Plan.

If you are in an eligible class and are covered under an HMO Plan, you can choose to change to coverage for yourself and your covered dependents under this plan. If you:

- Live in an HMO Plan enrollment area and choose to change coverage during an open enrollment period, coverage will take effect on the group policy anniversary date after the open enrollment period. There will be no rules for waiting periods or preexisting conditions.
- Live in an HMO Plan enrollment area and choose to change coverage when there is not an open enrollment period, coverage will take effect only if and when **Aetna** gives its written consent.
- Move from an HMO Plan enrollment area or if the HMO discontinues and you choose to change coverage within 60 days of the move or the discontinuance, coverage will take effect on the date you elect such coverage. There will be no restrictions for waiting periods or preexisting conditions. If you choose to change coverage after 60 days, coverage will take effect only if and when **Aetna** gives its written consent.

Any extensions of benefits under this plan for disability or pregnancy will not always apply on and after the date of a change to an HMO Plan providing medical coverage. They will apply only if the person is not covered at once under the HMO Plan because he or she is in a **hospital** not affiliated with the HMO. If you give evidence that the HMO Plan provides an extension of benefits for disability or pregnancy, coverage under this plan will be extended. The extension will be for the same length of time and for the same conditions as the HMO Plan provides. It will not be longer than the first to occur of:

- The end of a 90 day period; and
- The date the person is not confined.

No benefits will be paid for any charges for services rendered or supplies furnished under an HMO Plan.

Effect of Prior Coverage - Transferred Business

If your coverage under any part of this plan replaces any prior coverage for you, the rules below apply to that part.

"Prior coverage" is any plan of group coverage that has been replaced by coverage under part or all of this plan; it must have been sponsored by your employer (e.g., transferred business). The replacement can be complete or in part for the eligible class to which you belong. Any such plan is prior coverage if provided by another group contract or any benefit section of this plan.

If part or all of your **deductible** under any section of a prior **Aetna** Major or Comprehensive Medical Expense plan has been applied against covered medical expenses incurred by you, your **deductible** under any Aetna Choice POS II Medical Plan section of this plan will, for the Calendar Year in which you become covered, be reduced by the amount so applied. This will be done only if such expenses are incurred by you during:

- The Calendar Year in which you become covered under any Medical Plan section of this plan; or
- The last 3 months of the Calendar Year right before the year you coverage takes effect.

If any benefits have been paid to or accrued by you under any such section of your prior coverage, your maximum benefit under the Aetna Choice POS II Medical Plan section of this plan will be reduced. It will be reduced by the total amount of benefits still charged against your maximum benefit under your prior coverage on the day before you become covered under the Aetna Choice POS II Medical Plan section of this plan.

Discount Programs

Discount Arrangements

From time to time, we may offer, provide, or arrange for discount arrangements or special rates from certain service providers such as pharmacies, optometrists, **dentists**, alternative medicine, wellness and health living providers to you under this plan. Some of these arrangements may be made available through third parties who may make payments to **Aetna** in exchange for making these services available.

The third party service providers are independent contractors and are solely responsible to you for the provision of any such goods and/or services. We reserve the right to modify or discontinue such arrangements at any time. These discount arrangements are not insurance. There are no benefits payable to you nor do we compensate providers for services they may render through discount arrangements.

Incentives

In order to encourage you to access certain medical services when deemed appropriate by you in consultation with your **physician** or other service providers, we may, from time to time, offer to waive or reduce a member's **copayment**, **coinsurance**, and/or a **deductible** otherwise required under the plan or offer coupons or other financial incentives. We have the right to determine the amount and duration of any waiver, reduction, coupon, or financial incentive and to limit the covered persons to whom these arrangements are available.

Claims, Appeals and External Review

Filing Health Claims under the Plan

Under the Plan, you may file claims for Plan benefits and appeal adverse claim determinations. Any reference to "you" in this Claims, Appeals and External Review section includes you and your Authorized Representative. An "Authorized Representative" is a person you authorize, in writing, to act on your behalf. The Plan will also recognize a court order giving a person authority to submit claims on your behalf. In the case of an urgent care claim, a health care professional with knowledge of your condition may always act as your Authorized Representative.

If your claim is denied in whole or in part, you will receive a written notice of the denial from Aetna Life Insurance Company (Aetna). The notice will explain the reason for the denial and the appeal procedures available under the Plan.

Urgent Care Claims

An “Urgent Care Claim” is any claim for medical care or treatment for which the application of the time periods for making non-urgent care determinations could seriously jeopardize your life or health or your ability to regain maximum function, or, in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

If the Plan requires advance approval of a service, supply or procedure before a benefit will be payable, and if Aetna or your physician determines that it is an Urgent Care Claim, you will be notified of the decision, whether adverse or not, as soon as possible but not later than 24 hours after the claim is received.

If there is not sufficient information to decide the claim, you will be notified of the information necessary to complete the claim as soon as possible, but not later than 24 hours after receipt of the claim. You will be given a reasonable additional amount of time, but not less than 48 hours, to provide the information, and you will be notified of the decision not later than 48 hours after the end of that additional time period (or after receipt of the information, if earlier).

Other Claims (Pre-Service and Post-Service)

If the Plan requires you to obtain advance approval of a non-urgent service, supply or procedure before a benefit will be payable, a request for advance approval is considered a pre-service claim. You will be notified of the decision not later than 15 days after receipt of the pre-service claim.

For other claims (post-service claims), you will be notified of the decision not later than 30 days after receipt of the claim.

For either a pre-service or a post-service claim, these time periods may be extended up to an additional 15 days due to circumstances outside Aetna’s control. In that case, you will be notified of the extension before the end of the initial 15 or 30-day period. For example, they may be extended because you have not submitted sufficient information, in which case you will be notified of the specific information necessary and given an additional period of at least 45 days after receiving the notice to furnish that information. You will be notified of Aetna’s claim decision no later than 15 days after the end of that additional period (or after receipt of the information, if earlier).

For pre-service claims which name a specific claimant, medical condition, and service or supply for which approval is requested, and which are submitted to an Aetna representative responsible for handling benefit matters, but which otherwise fail to follow the Plan’s procedures for filing pre-service claims, you will be notified of the failure within 5 days (within 24 hours in the case of an urgent care claim) and of the proper procedures to be followed. The notice may be oral unless you request written notification.

Ongoing Course of Treatment

If you have received pre-authorization for an ongoing course of treatment, you will be notified in advance if the previously authorized course of treatment is intended to be terminated or reduced so that you will have an opportunity to appeal any decision to Aetna and receive a decision on that appeal before the termination or reduction takes effect. If the course of treatment involves urgent care, and you request an extension of the course of treatment at least 24 hours before its expiration, you will be notified of the decision within 24 hours after receipt of the request.

Health Claims – Standard Appeals

As an individual enrolled in the Plan, you have the right to file an appeal from an Adverse Benefit Determination relating to service(s) you have received or could have received from your health care provider under the Plan.

An “Adverse Benefit Determination” is defined as a denial, reduction, termination of, or failure to, provide or make payment (in whole or in part) for a service, supply or benefit. Such Adverse Benefit Determination may be based on:

- Your eligibility for coverage, including a retrospective termination of coverage (whether or not there is an adverse effect on any particular benefit);
- Coverage determinations, including plan limitations or exclusions;
- The results of any Utilization Review activities;
- A decision that the service or supply is **experimental or investigational**; or
- A decision that the service or supply is not **medically necessary**.

A “Final Internal Adverse Benefit Determination” is defined as an Adverse Benefit Determination that has been upheld by the appropriate named fiduciary (Aetna) at the completion of the internal appeals process, or an Adverse Benefit Determination for which the internal appeals process has been exhausted.

Exhaustion of Internal Appeals Process

Generally, you are required to complete all appeal processes of the Plan before being able to obtain External Review or bring an action in litigation. However, if Aetna, or the Plan or its designee, does not strictly adhere to all claim determination and appeal requirements under applicable federal law, you are considered to have exhausted the Plan’s appeal requirements (“Deemed Exhaustion”) and may proceed with External Review or may pursue any available remedies under §502(a) of ERISA or under state law, as applicable.

Full and Fair Review of Claim Determinations and Appeals

Aetna will provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by Aetna (or at the direction of Aetna), or any new or additional rationale as soon as possible and sufficiently in advance of the date on which the notice of Final Internal Adverse Benefit Determination is provided, to give you a reasonable opportunity to respond prior to that date.

You may file an appeal in writing to Aetna at the address provided in this booklet, or, if your appeal is of an urgent nature, you may call Aetna’s Member Services Unit at the toll-free phone number on your ID card. Your request should include the group name (that is, your employer), your name, member ID, or other identifying information shown on the front of the Explanation of Benefits form, and any other comments, documents, records and other information you would like to have considered, whether or not submitted in connection with the initial claim.

An Aetna representative may call you or your health care provider to obtain medical records and/or other pertinent information in order to respond to your appeal.

You will have 180 days following receipt of an Adverse Benefit Determination to appeal the determination to Aetna. You will be notified of the decision not later than 15 days (for pre-service claims) or 30 days (for post-service claims) after the appeal is received. You may submit written comments, documents, records and other information relating to your claim, whether or not the comments, documents, records or other information were submitted in connection with the initial claim. A copy of the specific rule, guideline or protocol relied upon in the Adverse Benefit Determination will be provided free of charge upon request by you or your Authorized Representative. You may also request that Aetna provide you, free of charge, copies of all documents, records and other information relevant to the claim.

If your claim involves urgent care, an expedited appeal may be initiated by a telephone call to the phone number included in your denial, or to Aetna's Member Services. Aetna's Member Services telephone number is on your Identification Card. You or your Authorized Representative may appeal urgent care claim denials either orally or in writing. All necessary information, including the appeal decision, will be communicated between you or your Authorized Representative and Aetna by telephone, facsimile, or other similar method. You will be notified of the decision not later than 36 hours after the appeal is received.

If you are dissatisfied with the appeal decision on an urgent care claim, you may file a second level appeal with Aetna. You will be notified of the decision not later than 36 hours after the appeal is received.

If you are dissatisfied with a pre-service or post-service appeal decision, you may file a second level appeal with Aetna within 60 days of receipt of the level one appeal decision. Aetna will notify you of the decision not later than 15 days (for pre-service claims) or 30 days (for post-service claims) after the appeal is received.

If you do not agree with the Final Internal Adverse Benefit Determination on review, you have the right to bring a civil action under Section 502(a) of ERISA, if applicable.

Health Claims – Voluntary Appeals

External Review

“External Review” is a review of an Adverse Benefit Determination or a Final Internal Adverse Benefit Determination by an Independent Review Organization/External Review Organization (ERO) or by the State Insurance Commissioner, if applicable.

A “Final External Review Decision” is a determination by an ERO at the conclusion of an External Review.

You must complete all of the levels of standard appeal described above before you can request External Review, other than in a case of Deemed Exhaustion. Subject to verification procedures that the Plan may establish, your Authorized Representative may act on your behalf in filing and pursuing this voluntary appeal.

You may file a voluntary appeal for External Review of any Adverse Benefit Determination or any Final Internal Adverse Benefit Determination that qualifies as set forth below.

The notice of Adverse Benefit Determination or Final Internal Adverse Benefit Determination that you receive from Aetna will describe the process to follow if you wish to pursue an External Review, and will include a copy of the *Request for External Review Form*.

You must submit the *Request for External Review Form* to Aetna within 123 calendar days of the date you received the Adverse Benefit Determination or Final Internal Adverse Benefit Determination notice. If the last filing date would fall on a Saturday, Sunday or Federal holiday, the last filing date is extended to the next day that is not a Saturday, Sunday or Federal holiday. You also must include a copy of the notice and all other pertinent information that supports your request.

If you file a voluntary appeal, any applicable statute of limitations will be tolled while the appeal is pending. The filing of a claim will have no effect on your rights to any other benefits under the Plan. However, the appeal is voluntary and you are not required to undertake it before pursuing legal action.

If you choose not to file for voluntary review, the Plan will not assert that you have failed to exhaust your administrative remedies because of that choice.

Request for External Review

The External Review process under this Plan gives you the opportunity to receive review of an Adverse Benefit Determination (including a Final Internal Adverse Benefit Determination) conducted pursuant to applicable law. Your request will be eligible for External Review if the following are satisfied:

- Aetna, or the Plan or its designee, does not strictly adhere to all claim determination and appeal requirements under federal law; or
- the standard levels of appeal have been exhausted; or
- the appeal relates to a rescission, defined as a cancellation or discontinuance of coverage which has retroactive effect.

An Adverse Benefit Determination based upon your eligibility is not eligible for External Review.

If upon the final standard level of appeal, the coverage denial is upheld and it is determined that you are eligible for External Review, you will be informed in writing of the steps necessary to request an External Review.

An independent review organization refers the case for review by a neutral, independent clinical reviewer with appropriate expertise in the area in question. The decision of the independent external expert reviewer is binding on you, Aetna and the Plan unless otherwise allowed by law.

Preliminary Review

Within 5 business days following the date of receipt of the request, Aetna must provide a preliminary review determining: you were covered under the Plan at the time the service was requested or provided, the determination does not relate to eligibility, you have exhausted the internal appeals process (unless Deemed Exhaustion applies), and you have provided all paperwork necessary to complete the External Review.

Within one business day after completion of the preliminary review, Aetna must issue to you a notification in writing. If the request is complete but not eligible for External Review, such notification will include the reasons for its ineligibility and contact information for the Employee Benefits Security Administration (toll-free number 866-444-EBSA (3272)). If the request is not complete, such notification will describe the information or materials needed to make the request complete and Aetna must allow you to perfect the request for External Review within the 123 calendar days filing period or within the 48 hour period following the receipt of the notification, whichever is later.

Referral to ERO

Aetna will assign an ERO accredited as required under federal law, to conduct the External Review. The assigned ERO will timely notify you in writing of the request's eligibility and acceptance for External Review, and will provide an opportunity for you to submit in writing within 10 business days following the date of receipt, additional information that the ERO must consider when conducting the External Review. Within one (1) business day after making the decision, the ERO must notify you, Aetna and the Plan.

The ERO will review all of the information and documents timely received. In reaching a decision, the assigned ERO will review the claim and not be bound by any decisions or conclusions reached during the Plan's internal claims and appeals process. In addition to the documents and information provided, the assigned ERO, to the extent the information or documents are available and the ERO considers them appropriate, will consider the following in reaching a decision:

- (i) Your medical records;
- (ii) The attending health care professional's recommendation;
- (iii) Reports from appropriate health care professionals and other documents submitted by the Plan or issuer, you, or your treating provider;
- (iv) The terms of your Plan to ensure that the ERO's decision is not contrary to the terms of the Plan, unless the terms are inconsistent with applicable law;
- (v) Appropriate practice guidelines, which must include applicable evidence-based standards and may include any other practice guidelines developed by the Federal government, national or professional medical societies, boards, and associations;
- (vi) Any applicable clinical review criteria developed and used by Aetna, unless the criteria are inconsistent with the terms of the Plan or with applicable law; and
- (vii) The opinion of the ERO's clinical reviewer or reviewers after considering the information described in this notice to the extent the information or documents are available and the clinical reviewer or reviewers consider appropriate.

The assigned ERO must provide written notice of the Final External Review Decision within 45 days after the ERO receives the request for the External Review. The ERO must deliver the notice of Final External Review Decision to you, Aetna and the Plan.

After a Final External Review Decision, the ERO must maintain records of all claims and notices associated with the External Review process for six years. An ERO must make such records available for examination by the claimant, Plan, or State or Federal oversight agency upon request, except where such disclosure would violate State or Federal privacy laws.

Upon receipt of a notice of a Final External Review Decision reversing the Adverse Benefit Determination or Final Internal Adverse Benefit Determination, the Plan immediately must provide coverage or payment (including immediately authorizing or immediately paying benefits) for the claim.

Expedited External Review

The Plan must allow you to request an expedited External Review at the time you receive:

- (a) An Adverse Benefit Determination if the Adverse Benefit Determination involves a medical condition for which the timeframe for completion of an expedited internal appeal would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function and you have filed a request for an expedited internal appeal; or
- (b) A Final Internal Adverse Benefit Determination, if you have a medical condition where the timeframe for completion of a standard External Review would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function, or if the Final Internal Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care item or service for which you received emergency services, but have not been discharged from a facility.

Immediately upon receipt of the request for expedited External Review, Aetna will determine whether the request meets the reviewability requirements set forth above for standard External Review. Aetna must immediately send you a notice of its eligibility determination.

Referral of Expedited Review to ERO

Upon a determination that a request is eligible for External Review following preliminary review, Aetna will assign an ERO. The ERO shall render a decision as expeditiously as your medical condition or circumstances require, but in no event more than 72 hours after the ERO receives the request for an expedited External Review. If the notice is not in writing, within 48 hours after the date of providing that notice, the assigned ERO must provide written confirmation of the decision to you, Aetna and the Plan.

R

Recognized Charge

The **covered expense** is only that part of a charge which is the **recognized charge**.

As to medical, vision and hearing expenses, the **recognized charge** for each service or supply is the lesser of:

- What the provider bills or submits for that service or supply; and
- For professional services and other services or supplies not mentioned below:
 - the 80th percentile of the Prevailing Charge Rate; for the Geographic Area where the service is furnished.

If **Aetna** has an agreement with a provider (directly, or indirectly through a third party) which sets the rate that **Aetna** will pay for a service or supply, then the **recognized charge** is the rate established in such agreement.

Aetna may also reduce the **recognized charge** by applying **Aetna** Reimbursement Policies. **Aetna** Reimbursement Policies address the appropriate billing of services, taking into account factors that are relevant to the cost of the service such as:

- the duration and complexity of a service;
- whether multiple procedures are billed at the same time, but no additional overhead is required;
- whether an assistant surgeon is involved and necessary for the service;
- if follow up care is included;
- whether there are any other characteristics that may modify or make a particular service unique; and
- when a charge includes more than one claim line, whether any services described by a claim line are part of or incidental to the primary service provided.

Aetna Reimbursement Policies are based on **Aetna's** review of: the policies developed for Medicare; the generally accepted standards of medical and dental practice, which are based on credible scientific evidence published in peer-reviewed literature generally recognized by the relevant medical or dental community or which is otherwise consistent with **physician** or dental specialty society recommendations; and the views of **physicians** and dentists practicing in the relevant clinical areas. **Aetna** uses a commercial software package to administer some of these policies.

As used above, Geographic Area and Prevailing Charge Rates are defined as follows:

- **Geographic Area:** This means an expense area grouping defined by the first three digits of the U.S. Postal Service zip codes. If the volume of charges in a single three digit zip code is sufficient to produce a statistically valid sample, an expense area is made up of a single three digit zip code. If the volume of charges is not sufficient to produce a statistically valid sample, two or more three digit zip codes are grouped to produce a statistically valid sample. When it is necessary to group three digit zip codes, the grouping never crosses state lines.
- **Prevailing Charge Rates:** These are rates reported by FAIR Health, a nonprofit company, in their database. FAIR Health reviews and, if necessary, changes these rates periodically. **Aetna** updates its systems with these changes within 180 days after receiving them from FAIR Health.

Important Note

Aetna periodically updates its systems with changes made to the Prevailing Charge Rates.

What this means to you is that the **recognized charge** is based on the version of the rates that is in use by **Aetna** on the date that the service or supply was provided.

IMPORTANT HEALTH CARE REFORM NOTICES

CHOICE OF PROVIDER

If your Aetna plan generally requires or allows the designation of a primary care provider, you have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. If the plan or health insurance coverage designates a primary care provider automatically, then until you make this designation, Aetna designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact your Employer or, if you are a current member, your Aetna contact number on the back of your ID card.

If your Aetna plan allows for the designation of a primary care provider for a child, you may designate a pediatrician as the primary care provider.

If your Aetna plan provides coverage for obstetric or gynecological care and requires the designation of a primary care provider then you do not need prior authorization from Aetna or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your Employer or, if you are a current member, your Aetna contact number on the back of your ID card.

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section.

However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that you, your physician, or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, you may be required to obtain precertification for any days of confinement that exceed 48 hours (or 96 hours). For information on precertification, contact your plan administrator.

Notice Regarding Women's Health and Cancer Rights Act

Under this health plan, as required by the Women's Health and Cancer Rights Act of 1998, coverage will be provided to a person who is receiving benefits in connection with a mastectomy and who elects breast reconstruction in connection with the mastectomy for:

- (1) all stages of reconstruction of the breast on which a mastectomy has been performed;
- (2) surgery and reconstruction of the other breast to produce a symmetrical appearance;
- (3) prostheses; and
- (4) treatment of physical complications of all stages of mastectomy, including lymphedemas.

This coverage will be provided in consultation with the attending physician and the patient, and will be provided in accordance with the plan design, limitations, copays, deductibles, and referral requirements, if any, as outlined in your plan documents.

If you have any questions about our coverage of mastectomies and reconstructive surgery, please contact the Member Services number on your ID card.

For more information, you can visit this U.S. Department of Health and Human Services website, <http://www.cms.gov/home/regsguidance.asp>, and this U.S. Department of Labor website, http://www.dol.gov/ebsa/consumer_info_health.html.

Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by Family and Medical Leave Act of 1993 (FMLA). If your Employer grants you an approved leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be determined by your Employer.

If your Employer grants you an approved FMLA leave in accordance with FMLA, you may, during the continuance of such approved FMLA leave, continue Health Expense Benefits for you and your eligible dependents.

At the time you request FMLA leave, you must agree to make any contributions required by your Employer to continue coverage.

If any coverage your Employer allows you to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on FMLA leave.

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date your Employer determines your approved FMLA leave is terminated.
- The date the coverage involved discontinues as to your eligible class. However, coverage for health expenses may be available to you under another plan sponsored by your Employer.

Any coverage being continued for a dependent will not be continued beyond the date it would otherwise terminate.

If Health Expense Benefits terminate because your approved FMLA leave is deemed terminated by your Employer, you may, on the date of such termination, be eligible for Continuation Under Federal Law on the same terms as though your employment terminated, other than for gross misconduct, on such date. If this Plan provides any other continuation of coverage (for example, upon termination of employment, death, divorce or ceasing to be a defined dependent), you (or your eligible dependents) may be eligible for such continuation on the date your Employer determines your approved FMLA leave is terminated or the date of the event for which the continuation is available.

If you acquire a new dependent while your coverage is continued during an approved FMLA leave, the dependent will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved FMLA leave.

If you return to work for your Employer following the date your Employer determines the approved FMLA leave is terminated, your coverage under this Plan will be in force as though you had continued in active employment rather than going on an approved FMLA leave provided you make request for such coverage within 31 days of the date your Employer determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, coverage will again be effective under this Plan only if and when this Plan gives its written consent.

If any coverage being continued terminates because your Employer determines the approved FMLA leave is terminated, any Conversion Privilege will be available on the same terms as though your employment had terminated on the date your Employer determines the approved FMLA leave is terminated.

ERISA Rights

As a participant in the group benefit plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), and an updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Receive a copy of the procedures used by the Plan for determining a qualified medical child support order (QMCSO).

Continue Group Health Plan Coverage

Continue health care coverage for yourself, your spouse, or your dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan for the rules governing your COBRA continuation coverage rights.

Reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the Plan, when you become entitled to elect COBRA continuation coverage, when your COBRA continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to preexisting condition exclusion for 12 months after your enrollment date in your coverage under this Plan. Contact your Plan Administrator for assistance in obtaining a certificate of creditable coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in your interest and that of other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to \$ 110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the status of a domestic relations order or a medical child support order, you may file suit in a federal court.

If it should happen that plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact:

- the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory; or
- the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington D.C. 20210.

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
