how to use your Vision Perfect® benefits

included with dental Plan A+, Plan A and Plan B

Vision Perfect's flat annual maximum provides you with a $150 per calendar-year benefit to spend at any vision provider. Plus you can get additional savings through the EyeMed network.

Benefits that are straightforward. Visit any vision provider and pay the provider at the time of service. Ask the provider to complete Ameritas Vision Claim Form FA325 (available at www.ameritas.com/group/olbc/cornell). Submit the form, along with a copy of an itemized bill from your provider, to Ameritas Life Insurance Corp of NY Claims Office, P.O. Box 82595, Lincoln, NE 68501.

Take advantage of promotions. We will reimburse you up to $150 for covered vision materials even if you take advantage of coupons or “buy one get one free” offers.

No frequency limitations. You have a flat amount of $150 to use for eligible prescription lenses, frames and contacts, including disposables.

Get your EyeMed discounts. When visiting an EyeMed network provider, show them both sides of your ID card and reference code 9232372. After your discounts have been applied, pay the provider and submit a claim for reimbursement.
