The Summary of Benefits and Coverage
For the Endowed Health Plans

The enclosed Summary of Benefits and Coverage (SBC) is a standardized document that is required by the Patient Protection and Affordable Care Act (PPACA). All insurance plans are required to produce SBCs based on a uniform template and distribute to all covered participants.

The purpose of an SBC is to provide a summary of major plan provisions of your health plan coverage and to help you make appropriate coverage decisions. There are also cost sharing examples to assist in your understanding of plan benefits.

Q. What information is included in the SBC?
A. A description of the benefits and coverage under a plan, including cost-sharing requirements and any information regarding exceptions, reductions or limitations.

Q. Should I use the SBC to decide which of the endowed health plans is the best choice for me?
A. No. The SBC is a simple, federally mandated document intended to help consumer understanding at a high level. It does not describe the full scope of coverage under any plan and should not be considered a complete description of a plan’s benefits. For more information, you should refer to the Summary Plan Description that is available for each health plan on our website: https://hr.cornell.edu/

Q. Will my SBC explain how services are covered?
A. Your SBC may provide you with some information that will explain how certain services are covered, such as what your copayment is. However, for more complete information, you should refer to the Summary Plan Description that is available for each health plan on our website: https://hr.cornell.edu/

Q. The Coverage Examples for Having a Baby, Managing Type 2 Diabetes and Simple Fracture indicate a “Total Would Pay” amount. Is this the amount I would actually pay?
A. The Coverage Examples help you to see how deductibles, copayments and coinsurance can add up, and they may help you to see what expenses might be your responsibility if a service or treatment isn’t covered or payment is limited. They are based on a standard set of services that a patient might receive in a similar scenario, and are intended only to help you compare your overall coverage, and not as a cost estimator.

Q. Can I get a paper copy of the Summary of Benefits and Coverage if I need one?
A. Yes, if you need a paper copy, please contact HR Services and Transitions Center (HRSTC) at 607-255-3936 or via email at hrservices@cornell.edu

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-888-982-3862. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-888-982-3862 to request a copy.

<tr>
<td><strong>What is the overall deductible?</strong></td>
<td><strong>Network:</strong> EE Only $1,500; EE+ Family $3,000.&lt;br&gt;Out-of-Network: EE Only $3,000; EE+ Family $6,000.</td>
<td>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.</td>
</tr>
<tr>
<td><strong>Are there services covered before you meet your deductible?</strong></td>
<td>Yes. In-network preventive care is covered before you meet your deductible.</td>
<td>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a></td>
</tr>
<tr>
<td><strong>Are there other deductibles for specific services?</strong></td>
<td>No.</td>
<td>You don't have to meet deductibles for specific services.</td>
</tr>
<tr>
<td><strong>What is the out-of-pocket limit for this plan?</strong></td>
<td><strong>Network:</strong> EE Only $3,250; EE+ Family $5,500.&lt;br&gt;Out-of-Network: EE Only $4,250; EE+ Family $7,500.</td>
<td>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.</td>
</tr>
<tr>
<td><strong>What is not included in the out-of-pocket limit?</strong></td>
<td>Premiums, balance-billing charges, health care this plan doesn't cover &amp; penalties for failure to obtain pre-authorization for services.</td>
<td>Even though you pay these expenses, they don’t count toward the out-of-pocket limit.</td>
</tr>
<tr>
<td><strong>Will you pay less if you use a network provider?</strong></td>
<td>Yes. See <a href="http://www.aetna.com/docfind">www.aetna.com/docfind</a> or call 1-888-982-3862 for a list of network providers.</td>
<td>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</td>
</tr>
<tr>
<td><strong>Do you need a referral to see a specialist?</strong></td>
<td>No.</td>
<td>You can see the specialist you choose without a referral.</td>

**About these Coverage Examples:**

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
