Choose one:

**Empire Plan**
The Empire Plan is a unique plan designed exclusively for New York State’s public employees. This plan allows you to choose care either in-network with Empire or out of network. If you use out-of-network providers, you risk paying higher costs.

**NYSHIP Health Maintenance Organization (HMO) Plan:**
In an HMO plan, you choose an in-network primary care physician (PCP) for routine medical care and for referrals to specialists and hospitals. Your HMO choice will depend on the county in which you live or work.

**Prescription drug coverage**
Prescription drug coverage is included with your health insurance enrollment, regardless of which plan you choose.

**How the plans work**
See the **NYSHIP Health Insurance Choices 2022 booklet** for details about benefits, services and programs under the Empire Plan and the NYSHIP HMOs. Access NYSHIP online (first-time user login instructions here) to obtain additional information about health and dental plan benefits.

You can enroll and/or add eligible dependents within the **56 day waiting period for coverage effective the 57th day**. You can enroll or add eligible dependents anytime with a 10-week waiting period unless you have a qualifying event based on IRS guidelines (such as marriage, birth of child, etc; see documentation requirements for Contract College employees). Limited changes can be made without the 10-week wait during the annual Option Transfer Period in the fall.

**2022 Comparison Chart and Rates**
This **pdf comparison chart** shows plan features for the contract college health plan choices, including both HMOs and Empire Plan participating and non-participating providers. View **2022 rates here**.

Note: NYS requires 2 advance premiums, so double deductions will be reflected in your pay. This does provide you with 28 days of coverage after you last day worked if you were to leave Cornell.
Dental Plan

The state of New York pays the full cost of this coverage, but you must enroll to participate in the plan (check the dental box on Form PS404 when enrolling in health care).

Learn more about the NYSHIP dental insurance plan.

Coverage is provided through Emblem Health.

Effective Date:
If you enroll and/or add eligible dependents within the 56 day waiting period, coverage is effective the 57th day.
Enroll in Health & Dental Plans with Form PS404

Enrollment process:
1. Select your plan and dependents in Workday when you enroll in other benefits (instructions begin on page 16 of this booklet).
2. Submit the PS404 and any other required documentation as indicated below and on the following page.

IMPORTANT: ENROLLMENT, PS404, AND DOCUMENTATION MUST BE SUBMITTED WITHIN 56 DAYS OF DATE OF HIRE

If you are enrolling as a family from item 11 (B) #2, complete item 13, dependent information, on page 2 of form.
Tax Savings for Any Health Plan
You can use a flexible spending account (FSA) to reduce taxable income by setting aside money from your paycheck to use for eligible medical care and/or childcare expenses. An FSA doesn’t replace health insurance; it helps save you money on dependent/childcare and certain out-of-pocket expenses that insurance doesn’t cover. There are two FSA accounts to choose from: a Medical Care FSA, and/or a Dependent Care FSA. You may choose one, both, or neither.

How it Works
You make an annual or per-paycheck election for a payroll deduction to put money into a Payflex FSA before taxes are calculated. When you incur an eligible expense, you file a claim. You are then reimbursed with tax-free money.

Is an FSA Right For You?
Check out this flyer for an overview of PayFlex flexible spending accounts.
Visit the HR website for more details about FSAs.

Employees enrolled in the State University of New York Optional Retirement Program (SUNY ORP) are also provided with basic life insurance, insured by New York Life Group Benefit Solutions (NYL GBS) receiving coverage of up to one-half of their annual salary up to a maximum of $50,000. Learn more about Basic Life Insurance and using NYL GBS Benefit Guide website to designate beneficiaries once enrolled.

You may wish to review your additional life insurance needs by considering Group Universal Life Insurance as described on the Optional Benefits page, page 14.

**Short Term Disability**

The Cornell Short-Term Disability (STD) Plan provides benefits and partial compensation when you are unable to work for qualified health reasons unrelated to workers compensation. STD will provide 50% of your base pay for staff and 100% for academic positions, for a maximum of 26 weeks (approx. 6 months) in any 52 week period, and your job will be held in accordance with Cornell's job hold policy provisions. More about Short Term Disability Short Term Disability eligibility and benefits.

**Long Term Disability**

Contract College employees are required to enroll in Long Term Disability (LTD) coverage and pay a nominal fee. LTD benefits begin after six months of disability and continue as long as you remain disabled or until the maximum benefit period has been reached at your social security normal retirement age. More about Long Term Disability eligibility and benefits.

**New York State Paid Family Leave**

In 2016, Governor Cuomo signed into law the New York State Paid Family Leave (NYPFL) policy that requires employers to offer paid leave for eligible staff members to bond with a new child, care for a family member with a serious health condition, or for a qualifying military exigency. New York State specified that the Paid Family Leave Program is employee-funded, and that employers shall collect an employee contribution through a payroll deduction determined annually. While there is no required action from you in Workday, if you are eligible for this benefit, it will appear on your Insurance Plan summary screen.

More about NYPFL eligibility and benefits.
NYSLRS is designed to provide employees with retirement, disability, and death benefits. Your benefits are defined based upon a formula for your tier level. This formula includes years of membership and final average salary. For the current tier, Tier 6, you are vested in your benefit in this plan after 10 years of retirement service credit.

Participation is mandatory for non-exempt regular full-time contract college (CC) employees. Participation is optional for other non-exempt CC employees. Exempt regular full-time CC employees must elect to participate in this plan or the State University of New York Optional Retirement Program (SUNY ORP) within 30 days from the date of hire. New members enroll in Tier 6; if you have a prior membership in ERS, you can resume your membership in your previous tier.

Your contribution will be 3% - 6% of your gross salary for your entire career based on your salary level. Overtime pay is capped.
State University of New York Optional Retirement Program (SUNY ORP)

SUNY ORP is designed to provide retirement income to faculty and exempt Contract College employees as an alternative to NYS-LRS. Contributions are based on your tier level. You are vested in your account balance after 366 days of participation.

Your contribution will be 3% - 6% of your gross salary for your entire career based on your salary level. Cornell contributes 8% of your pay during your participation for the first 7 years of service, and then 10% of pay for subsequent years. Pay is capped at $290,000 for year 2021.

Part-time faculty or exempt employees may elect to participate in SUNY ORP. If you participated in SUNY ORP in a prior job, then you will resume your participation in that tier.

If you have another employer-funded retirement plan invested with AIG, Fidelity Investments, TIAA and/or Voya, from a prior job, you should contact the HR Services and Transitions Center to determine if you are eligible to have the vesting period waived.

Submit this form and any documentation to:
HR Services and Transitions Center

East Hill Office Building, Suite 130
Ithaca, New York 14850

Documentation can also be submitted through the Cornell Secure File Transfer Site (DropBox):

How To Add A Dependent

Dependents are those who are covered by your health plans, such as your children, spouse, or partner (see rules regarding dependent eligibility). Beneficiaries are those who have been designated to receive benefits from your insurance enrollments in case of death, but these are not entered or stored in Workday.

- You can add dependents to your health care plans in Workday. New dependents require documentation to be submitted separately in order to receive coverage.
- You cannot upload documentation for your dependents in Workday. See page 4 for instructions on how to submit documentation.
- You don’t need to add beneficiaries in Workday. Contact the insurance provider to designate your beneficiaries. You can add or modify your beneficiaries with the provider at any time. If you’ve already entered beneficiaries in Workday in the past, they may show up as an option in the Workday dependent drop-down. You can select them as a dependent, but you will still need to send any required documentation to the HRSTC to add them as a health care dependent.

To add a dependent, select the health or dental plan of your choice, and then click the orange “Confirm and Continue” button at bottom of page. Don't worry - you can still change your plan before submitting your enrollment.

On the next screen, choose a coverage option from the drop-down menu (ie, “employee and spouse”), and then click the “Add New Dependent” button.
This option is not active in Workday. If you want to make this dependent a beneficiary to your basic life insurance, GUI, personal accident and/or retirement plans, you must contact your insurance vendor separately (can be done at any time).

Click the orange “OK” button at bottom of screen to continue.

Keep scrolling down the screen to complete all information, including address, phone, email, etc.

Click the orange “Save” button at bottom of page when you’re finished. You can confirm that the new dependent is enrolled by opening the plan page again and confirming that the dependent appears in the chart and has a blue checkmark in the “Select” column. The new dependent will now appear as an option in all your plan choices, but you must check the “select” box to enroll them in each plan.

**IMPORTANT: DEPENDENT DOCUMENTATION**

Your dependent will not be covered unless you submit the required documentation to HRSTC postmarked or received within 56 days of your hire date! HRSTC offices are open but available by phone/email only.
