Welcome to Cornell Colleague Connections, a new mentoring and networking tool.

This video will demonstrate how to sign up for mentoring.
The new tool allows you to sign up as a mentor, a mentee, or both.
Using any web browser, type in cuelinks.cornell.edu in the address bar.
Click Join the Community.
Please be sure to select Cornell NetID as your login method.
Type in your username and password.
Two help protect your identity, you are required to use two-step login to continue.
As a staff member, it’s important you select Colleague Connections Hub during signup.
Click on Mentee.
And on the next page, start filling in a little information to help create your Colleague Connections profile.
The items with an asterisk are required, but don’t worry, you can update your profile information at any time. When finished, click Continue.
You are just a couple of steps away from joining an amazing community! Let’s begin.

YOU ARE ALMOST READY!

COLLEGE, SCHOOL, UNIT *
Select one:

UNIVERSITY POSITION (JOB PROFILE) *
Select One:

BUSINESS/WORKING TITLE *
Provide your working title:

SKILLS *
Select all that apply

TECHNICAL COMPETENCIES *
Select all that apply

EDUCATION *
Select one

* Required field

Use the down arrows and select buttons to complete this page (the “You are almost ready!” page).
Use the down arrows and select button to complete this page (the “You are almost ready!” page).
When finished, click continue.
We’re almost done! On the agreement page, you must scroll through the entire document, click the check box at the end, and draw your signature in the box.
Your Colleague Connections signup is complete. Before you log off, we’d like to encourage you to complete the matching quiz to get the most from Colleague Connections. To find it, click the Update Preferences button.
Click to highlight Matching Quiz.
Then select **Update Matching Preferences**.
Click on the job families that interest you. Don’t see what you’re looking for? See more options by clicking the View More button.
Follow the same process for selecting skills.
Do the same for your technical interests
Remember to hit save when complete.
Don’t forget to check your email inbox for your welcome message.
