OPEN ENROLLMENT PERIOD NOVEMBER 1 - NOVEMBER 21, 2022
You may not need to do anything!

If you have no changes to make in your coverage and don’t want a Flexible Spending Account (FSA) in 2023, your enrollments will stay the same as last year. You don’t need to do anything in Workday.

However, if you want an FSA in 2023, you must re-enroll during Open Enrollment. FSA enrollments do not carry over year to year.

Go to hr.cornell.edu/enroll for complete details.

Any changes or enrollments must be made in Workday. Make sure to click the SUBMIT button and print a copy of your confirmation page as evidence of your elections for the upcoming plan year.

To Do:
FOLLOW THESE TIPS TO MAKE ENROLLMENT EASY

☑ Complete any necessary worksheets
Choose your medical, dental, and vision plans, decide on your coverage level, and calculate your FSA contributions. Worksheets are located on pages 4-10 of this guide.

☑ Have documents ready
Are you adding dependents? Gather documentation you’ll need to submit.

☑ Find your “Open Enrollment Event” in Workday
You should receive an email on November 1 notifying you that your “Open Enrollment Event” is ready. See page 12 for directions on how to get started in Workday.

☑ Follow step-by-step instructions
Screen shots are shown in this booklet along with error alerts. There are also instructions on each screen in Workday. If you get stuck, contact HRSTC!

☑ Make sure to click “Submit” and print your confirmation!
You’ll receive a confirmation message with a successful submission -- be sure to print a copy for your records.

If you do not properly submit your enrollment elections by the deadline (4:00 pm EST, November 21), your elections will not be accepted.
Add dependents
Do you need to add coverage for your spouse, partner, or dependent children?

Gather the information below for each new person, which you will need to enter into Workday.

**IMPORTANT!**
You will also need to provide documentation to the HR Services & Transitions Center. DO NOT UPLOAD documents to Workday: documentation must be received by the HRSTC before 4:00 pm November 21 or postmarked by November 21, 2022.

PayFlex Flexible Spending Accounts (FSAs)

There are two types of FSAs: Medical Care and Dependent Care. FSAs reduce out-of-pocket expenses to help save on your federal income and Social Security taxes. You can choose to enroll in one, both, or neither. These worksheets can help you plan how much to set aside in your FSAs.

- Learn more about FSAs, including eligible expenses and online worksheets.

- If you’re enrolling in the Health Savings Account (HSA) plan, you may enroll in a Dependent Care FSA, but not a Medical Care FSA (the HSA plan features its own spending account).

- The Dependent Care FSA is for eligible dependent daycare expenses while you work - not for medical expenses for your dependents.

How To Add A Dependent

**Dependents** are those who are covered by your health plans, such as your children, spouse, or partner (see rules regarding dependent eligibility). **Beneficiaries** are those who have been designated to receive benefits from your insurance enrollments in case of death, but these are not entered or stored in Workday.

- You can add dependents to your health care plans in Workday. New dependents require documentation to be submitted separately in order to receive coverage.
- You **cannot upload documentation** for your dependents in Workday. See page 4 for instructions on how to submit documentation.
- **You don’t need to add beneficiaries in Workday.** Contact the insurance provider to designate your beneficiaries. You can add or modify your beneficiaries with the provider at any time. If you've already entered beneficiaries in Workday in the past, they may show up as an option in the Workday dependent drop-down. You can select them as a dependent, but you will still need to send any required documentation to the HRSTC to add them as a health care dependent.

---

To add a dependent, select the health, dental, or vision plan of your choice, and then click the orange “Confirm and Continue” button at bottom of page. Don’t worry – you can still change your plan before submitting your enrollment.

---

On the next screen, choose a coverage option from the drop-down menu (ie, “employee and spouse”), and then click the “Add New Dependent” button.
If you want to make this dependent a beneficiary to your basic life insurance, GUI, personal accident and/or retirement plans, you’ll need to contact your insurance vendor separately (can be done at any time).

Click the orange “OK” button at bottom of screen to continue.

Keep scrolling down the screen to complete all information, including address, phone, email, etc.

Click the orange “Save” button at bottom of page when you’re finished. You can confirm that the new dependent is enrolled by opening the plan page again and confirming that the dependent appears in the chart and has a blue checkmark in the “Select” column. The new dependent will now appear as an option in all your plan choices, but you must check the “select” box to enroll them in each plan.

IMPORTANT: DEPENDENT DOCUMENTATION
Your dependent will not be covered unless you submit the required documentation to HRSTC postmarked or received by the November 21, 2022 deadline!
